LL RIVER COTTON MILLS. Manufacturers Decide on a Reduction of Wages.

L RIVER, Mass., Aug. 6.—The Fall Cotten Manufacturers' association ere this afterneen to take action on ropesition to reduce wages. It was to reduce all classes ten per cent., the ien te ge inte effect Aug. 20. It was cotten be ge into effect Aug. 20. It was voted to pay weavers by the peund inil of a cut to avoid the objectable publicity of the details of
ving required by weaving particulars
in payment by the cut. The payment
eavers is to be 2 2 7 cents a peund for
t cleths. The present scale is 18 cents
cut weighing seven pounds. The new cut weighing seven pounds. The new will make a reduction of two cents a The eperatives have threatened to e if a cut were tried, but the manu-arers are indifferent as to the possi-y of a strike, as prices have gone se lew many mills are running at a loss.

NOTICE TO MARINERS.

Washington, July 29—Notice is given by the lighthouse board that on or about Aug 7, 1894, light vessel No 7, stationed to the eastward of Sandy Hook, about on the axis of the South Channel, off the entrance to New York lower bay, will be temporarily removed from her station for repairs and replaced by relief light vessel No 16.

Light vessel No 16 will show two fixed white reflector lights, one from each mast. She has two masts, schooner rigged, and no bowsprit, but differs from light vessel No 7 in having a black smokestack and steam whistle between the masts and the hull painted yellow, with "Relief" in large black letters on each side, and "16" in black figures on each bow and each quarter. The steam whistle will not be sounded during thick or foggy weather, but the fog signal will, as on light vessel No 7, be a bell struck by hand.

Light vessel No 7 will be repaired on her station as soon as the repairs have been completed, of which due notice will be given.
