Gilmour's clearance sales of men's ready-to-wear clothing are events which arouse the interest of more men each season. The reason is on account of the high class of the clothing, its perfection of fit, finish and style and the certainty of finding everything just as advertised. Today's and following advertisements should be carefully read by men who are at all interested in good clothing at considerably reduced prices. Sale begins on Monday and the purpose of it is to clean up stock in anticipation of the arrival of Fall purchases.

A lady of this city, has for some time past been greatly troubled and annoyed by receiving letters of a most insulting nature, signed with the name of a gentleman. These letters are forgeries, and the parties who have written them are known. By the advice of a friend the lady has been ignoring the letters, hoping that in this way the writer would tire of the work. But recently an act worse than even the forged letters has been perpetrated. The suspected women are church members, one of them a Sabbath school teacher. If this wretched work is not stopped at once the lady in question will make known the names of these parties to the minister of their church.

Mr. Emerson, of Emerson & Fisher, when seen last night by the Star, stated that they had received a circular regarding the new insurance scheme, but that they had not yet had time to look into the matter. He understood that there was to be a man sent down from headquarters to lay the matter before the New Brunswick manufacturers, and until then it was not likely anything would be done by the local firms.

MANY WILL GO OUT OF TOWN TODAY.

Very few people will remain in the city this afternoon as nearly all the large stores are closed, and everybody is making for the country to spend the afternoon and Sunday.

Millidgeville is the chief centre of attraction for this afternoon, as the R. K. Y. Club boys leave that place at half past three o'clock, and large crowds are going out to give them a parting cheer. Westfield Beach will also be the rendezvous of a crowd this afternoon, as the second race in the series of the salmon boat races will be held.

A number of private parties are also being held at Seaside Park, and many who are not able to get out to the country for the Sunday will spend the day at that park.
