NO CURE NO PAY!! HAYS LINIMENT

HAY'S LINIMENT.

NO FICTION.—This extraordinary chemical composition, the result of science and the invention of a celebrated medical man, the introduction of which to the public was invented with the solemnity of a deatable bed bequest, has since gained a reputation unparalleled, fully sustaining the correctness of the lamented Dr. Gridley's last confession, that "he dared not die without gring to posterity the benefit of his knowledge on this subject," and the therefore bequeathed to his friend and attendant, Solomon Hays, the secret of his discovery.

It is now used in the principal hospitals, and the private practice in our country, first and most certainly for the cure of the Piles, and also so extensively and effectually as to build credulity, unless where its effects are witnessed. Externally in the following complaints:

For Dropsy—Creating extraordinary absorption at once.

See: Throat—By cancers, ulcers or colds.

Cropp, and Whooping Congle—Externally, and over the chest.

All Bruises, Sprains and Burns—Curing in a few hours.

Sores and Ulsers—Whether fresh or long standing and dever sores.

To the Afflicted.
