An interesting lecture was given by Miss Bonnell on "The Wild Tribes of Central Africa," and several recs of films were shown.

Towards the close of the evening refreshments were served by the social committee of the Junior Leaders' Corps. The boys voted the evening a grand success.

Victoria St. Church Rally Day Services

The Rally Day services of the Victoria street Baptist Church were held yesterday, and they were marked by a very large attendance. The services were featured by the singing of the Young People's choir, composed of twenty-five voices.

At the evening services the singing was in charge of the Young People's choir. Miss Hazel Fletcher and Miss Maude Currie were heard in a pleasing duet, while a very well rendered solo was sung by Miss Ethel Hudson. A very able sermon was preached by the pastor, Rev. Geo. D. Hudson.

MARSH BRIDGE MISSION RALLY

Great interest was taken by members of the Marsh Bridge Mission in their rally day held yesterday afternoon. An attendance of 115 gave much encouragement to the teachers and others interested. Rothery McLaughlin presided and a short address was given by William Baxter, honorary superintendent. Rev. Mr. Styles, of Carmichael street, was the principal speaker, referring in his address to rally day and urging all present to go forward in the good work of the mission.

Mr. and Mrs. T. R. Powers, of Portland street Methodist choir sang and an excellent chorus was given by the C. G. I. T. class, "The Golden Rule Group." Miss Roberta Stark and Miss Cora Kirk acted as accompanists.

Died From Injury Received Saturday

John Irvine Fell from Ladder on Waterloo Street and Had Skull Fractured.

John Irvine, a well-known carpenter of East St. John, died in the General Public Hospital about 7 o'clock yesterday morning from injuries received when he fell from a ladder on Saturday afternoon.

Mr. Irvine, with another workman, had been working on the roof of a house near the corner of Brindley and Waterloo streets. He started to come down the ladder, which stretched over the pavement. It is presumed that he was suddenly seized with a weak spell and, falling, struck the pavement on his head. He was picked up and rushed to the General Public Hospital, where it was found that the unfortunate man's skull had been fractured. He never regained consciousness and passed away.

Mr. Irvine, who was about 58 years old, was employed for many years with the firm of Samuel Drury & Co. He is survived by his wife, two brothers, Howard, of Milford, and William, at present in the States, and three sisters, Mrs. Colby and Mrs. McKillan, of New Hampshire, and Miss Margaret, of Milford.

An Interesting Visitor In St. John

An interesting visitor to St. John is Miss Martha L. Root, of Pittsburg, Pa., who is a well known writer for a number of magazines. Miss Root was for some years on the staff of the Gazette-Times of Pittsburg, and as a free lance traveled around the world in war-time writing for newspapers. She also spent six months in South America on newspaper work, and periodically. Her work has been published in the World Wide Review, of Reviews, Good Housekeeping, Pictorial Review and other magazines.

Miss Root has spent a few days in Montreal recently and is on her way to Washington, where she will attend a convention for the furtherance of unity between the white and colored races.

"This is my first visit to Canada," Miss Root said to the Standard last evening, "and I am greatly impressed with the civility and kindness of the people. I was so interested in hearing of the loyal traditions of your city and find you very English in so many respects. Wherever the English go splendid radio are found. The suburbs of St. John are most beautiful, and I enjoyed exceedingly my visit to Rothery. I never saw a more lovely river."

Miss Root, who is of the same family as Elfrida Root, is being entertained in St. John by Miss Louise Culver.

Centenary Sunday School Rally Day

An outline of the work of various departments of the Sunday school proved a distinctive feature of rally day at Centenary Sunday school yesterday afternoon. There were 270 present including scholars, teachers, officers and visitors. An offering of \$31.50 was received.

J. E. Arthur, superintendent, presided.

Interesting Address.

In his address on Bible class work, which is an outstanding department in Centenary church, Mr. Henderson paid a tribute to the classes formerly conducted by J. E. Irvine and Mrs. Hon. Mr. Henderson mentioned the fact that the present pastor, Rev. H. A. Goodwin, was a member of Mr. Irvine's class at one time.

Mrs. Hea's class is now taught by Mrs. John Beasley and in memory of her beloved teacher is called the M. E. H. class.

Mrs. Lewin is the teacher of the "Pave to Serve" class from whose ranks teachers for the junior department are largely recruited.

Under the leadership of Morton L. Harrison the Loyalist class is being brought up to the membership which it possessed before the war. A Chinese class taught by Miss Comben is most successful. Mr. Henderson has national series of lessons are studied. Miss Phyllis Woods spoke on the purpose of the Canadian girls in training classes.

Rev. H. A. Goodwin urged that this year be made the best in the history of Centenary.

First Meeting For The Season

The Baraca Brotherhood class of the Central Baptist church held its first meeting for the season of 1920-21 yesterday afternoon, and the re-organization took place. The meeting was largely attended and the outlook for the fall and winter's activities is very bright. The regular meetings will be held on Sunday afternoons, while it is the intention to hold literary and musical evenings on different occasions during the season.

Dr. I. W. Baker has again consented to take charge of the Sunday afternoons.

The following officers and committees were appointed:

J. L. Collins, President.
W. C. Fanjoy, Vice-president.
C. J. Stiles, Asst. Secretary.
A. E. Everett, Recording Secretary.
C. Connan, Treasurer.
A. P. Hughes, Registrar.
C. Peria, Asst. Registrar.
W. H. Golding, Publicity Committee.
W. E. Campbell, Social Committee.

The class will be in charge of the musical part of the service on Sunday, October 24, last year when the Baraca class took charge of the service their effort was aided with great success, and it is expected that an even greater one will be experienced this year.

The Thanksgiving Services Held

Large Congregations at Trinity Church Decorated With Fruit and Flowers.

Trinity Church held its Thanksgiving services yesterday with large congregations both morning and evening. The church was beautifully decorated with fruit and flowers. The special services arranged by the church, with appropriate prayers and elaborate music. In the morning the choir under the direction of J. S. Ford, sang 47th Psalm, and the anthem, "Oh Lord, How Manifold Are Thy Works."

At the evening service the anthem "Sing Unto the Lord" was sung. Rev. Canon Armstrong preached at both services referring to the special character of the day celebrated.

Three Arrested On Serious Charge

Officer Robert Crawford was on the job yesterday afternoon and arrested Robert Orr, William Murrell and William Tuckey on the charge of being drunk, furiously driving and abusing a horse owned by Mr. Robison, also interfering with the traffic. In addition to these charges Tuckey is charged with drinking in public.

The three men were driving in a single seated carriage and the horse was a little peevish. It is reported that the trio beat the horse badly as well as over driving it, and when Officer Crawford placed the three men under arrest on Rothery avenue near Fernhill cemetery gate the unfortunate horse was very tired from over driving and covered with foam.

The prisoners will very likely appear before Magistrate Adams in Brookville today.

Lady Conducts Two Services

Miss L. Frances Bonnell conducted the services in the Central Baptist Church yesterday morning and delivered an interesting lecture on "Christ or Mohammed." She again spoke at the Ludlow street Baptist in the evening on "The Romance of the Sudan." Both lectures were well attended and much enjoyed.

Miss Bonnell described the Sudan as a country with a population of over sixty millions and an area exceeding that of the United States. The vast extent of the country and the small number of missionaries rendered it almost practically impossible to reach all the ways from four hundred to a thousand miles apart. The mission work was inter-denominational, and an effort was being made through a chain of missions to reach the country to act as a barrier to the Mohammedans, each one of whom was an active missionary for the cause of the prophet.

The lecturer stated that, whereas in India converts were being made from the lower classes of ignorant people, in the Sudan it was the better class and more intelligent people who showed a keen desire to follow the teachings of the missionaries.

Miss Bonnell is touring Canada with the purpose of interesting Canadians in the missions of the Sudan. She is to address the Young People's Society of the Ludlow street church in the evening, and deliver an illustrated lecture on "From the Heart of Africa."

Sermon of Interest At Mission Church

The great step taken towards the unity of all Christian Churches was the subject of an intensely interesting sermon preached by Bishop Charles D. Schofield, of Columbia, who spoke last evening in the Mission Church, Paradise Row.

The text taken was from the Gospel of St. John 17:23, "That All May Be One." Bishop Schofield described the deliberations of the committee of seventy bishops, who, with the Archbishop of York met to try to solve the problem of how the unity of all churches might be accomplished. The committee was a part of the Lambeth Conference of the Anglican Church, which has been held every ten years since 1868.

Bishop Schofield stated that the report finally adopted on this matter, in which he felt sure the Holy Spirit had guided the decision, dwelt upon the points of unity as follows: A faith based upon an acceptance of the Holy Scriptures, acceptance and use of the two great sacraments, the use of confirmation as a completion of baptism, and the recognition of the ordained ministry of the churches. The Anglican church confessed her share in the divisions of the past.

Representatives of the Old Catholic Church of Europe, Presbyterians, Baptists and Methodists were present at the conference, and earnest prayers were offered for a right conclusion to be reached, so that all might be brought into one great communion.

At the Lambeth conference were Bishops from all the known provinces of the empire. Native bishops from India, China and South Africa. Japan, through a bishop, sent an appeal for Christian unity. The Bishop of Zanzibar was a notable speaker.

The members of P. A. F. B. No. 35, are requested to attend the funeral of Brother Steven Logan, at 4 Wellington Row, at 2:30 o'clock this (Monday) afternoon. No regalia.

Recording Secretary.
