for Prince Rupert, where he will be
ed as assistant to Rev. Mr. McLeod,
of the Baptist church there. Mr.
it is one of Albert county's bright
men. Rev. Mr. McLeod is also a
Brunswick man, being a native of
on. Mr. Wright's brother, R. SeyWright, has been a resident of
e Rupert for some time.
and Mrs. Robert J. Moffat, of Lethe (Alta.), arrived at the Hill today,
in guests of the latter's cousin, Mrs.
McGorman. Mr. and Mrs. Moffat
erly lived in Albert county, Mrs. Mofbeing a daughter of the late James
our, of Mountville.
s. Edgar Cook, of Dorchester Cape,
siting at the home of J. R. Russell.

Miss Flora V. Atkinson, of Richibucto, visiting Miss Lilian McLelland.
Rev. A. D. Archibald has returned from vacation from

vacation trip.
rs. James McNairn, of Galloway, spent

# GAME TRAPS

Our traps are made by one of the oldest and best manufacturers in this particular line. They are sure to go and sure to hold. The Newhouse Traps are the highest grade, and to professional trappers no further introduction is needed than the name Newhouse. The Victor Traps are also well-known; while costing considerably less than the Newhouse, they are the best traps for the money on the market, and are made in the same pattern throughout as the Newhouse brand.

# MUSKRAT OR MINK TRAPS, Single Spring With Chain

This trap is used for catching muskrats and other small animals.. We recommend it to the farmer for catching skunks, weasels, rats, and such other animals as may visit his poultry

Suitable for ...... Rat Muskrat Mink 4 7-8 25c. 50c. Newhouse Traps, Each .... 30c.

### FOX OR BEAVER TRAPS Double Spring With Chain

This Trap has double springs with chain and is suitable for catching fox, beaver and otter.
Professional trappers use it for
catching foxes. It is very convenient in form and is strong

Newhouse Traps, Each	\$1.10
THE PART OF THE PA	

# Single Spring, With Chain

These traps are lighter in weight and therefore easier to carry than the other styles. They lie very flat and are easily secreted in the runways

Made with full wide meeting faces and much less likely to break the animal's legs as are other makes of this style trap. These Traps are warranted in every respect.

30c. 40c. 50c. 60c.

These Traps are nailed to a tree over den or close to runways of animals. Another way is to fasten the trap to a board, in an upright position near places where animals fre-

The illustration shows trap in use. 

### STOP THIEF WIRE SPRING TRAPS For Catching Small Fur-Bearing Animals

This Trap is light, strong and effective. Kills the animal and does not injure the fur. Can be set in

nany places that other traps can not. Every Trap furnished with chain.

### BEAR TRAPS This Trap is used for taking bears. It is furnished with a very strong chain.

No. RX-For small sized bears; spread of jaws 9inches, inches, weight 19 lbs. Each ......\$7.00

### BEAR TRAP CLAMPS For Setting Bear and Other Large Traps

Every trapper knows how difficult it is to set a large trap alone in the woods, especially in cold weather, when the fingers are stiff. One of these clamps applied to each spring

will, by a few turns of the thumb-screw, bend the springs to their places without difficultly, dispensing with the inconvenient and 

# GENUINE FRENCH MARTY MOUSE AND RAT TRAPS

The most successful Rat and Mouse Traps ever invented; they are wonderfully effective and catch their full capacity night after night as long as the rats hold out. Impossible for rat or mouse to escape

when caught. Made only in France and not to be compared with imitation traps sold as "French." None genuine without trademark.
