MURDOCH LAVASH, Tonsorial Artist, MAIN STREET, MONCTON, N. B.

Mr. Lavash, whose place of business is in the centre of the town, is the leading tonsorial artist, and his establishment is patronized by all the best people of the place. Strangers visiting Moncton will find Mr. Lavash and his assistants on hand at all reasonable hours, and they may depend upon receiving the utmost courtesy at their hands. It is a real pleasure to be "shaved" by such skilful artists, and to undergo the Shampooing process at this establishment is simply delightful. Charges moderate.
