**HANDLED BY ALL THE
WHOLESALE TRADE**

MARKETS.

Toronto, June 25, 1908.

Fish.—Trade is quiet owing to the holiday season. Supplies continue plentiful. We quote: Trout, 9c.; halibut, 10c.; whitefish, 8c.; lobsters, 18c.; haddock, 7c.; bloaters, \$1.35 box; lake herrings, \$3.

Fruit.—Trade is brisk. The market opened this week and is being well supplied with fruit. Local strawberries are plentiful, selling at about 6c. per box. Bananas are quoted at from \$1.25 to \$2 per bunch; oranges at from \$4.50 to \$4.75 per box; tomatoes at 6c.; pineapples at from \$2.75 to \$3.25 per crate; lemons, \$3 per box. California fruit-plums, \$1.50; peaches, \$1.25 to \$1.50; apricots, \$1.25; cherries, \$2.

Montreal, June 25th.

Business conditions rule about the same as formerly. Collections are slow and orders from travellers on the road are neither numerous nor large. The conditions affecting the growth of the crops are next thing to perfect and the general feeling is consequently one of hope in the future.

Butter.—The market has advanced, and, owing to high cost in the country, it would be difficult to make purchases here at less than 23¼ to 24¼c. for fine to choicest Township creameries. Shipments last week were large, reaching 8,000 packages.

Cheese.—Shipments were large, being 80,000 boxes, last week. The demand over the cable forced prices up, and Westerns are now worth 11¼ to 12c. here, and Easterns 11½ to 58c. sales having been made at the latter figure to-day.

Wool.—Canada fleece, washed, is quoted at 15 to 18c., country points, fleece in the grease being 12c. Canada pulled, brushed, is 19 to 21c., unbrushed being about 17c. Some stocks of the latter have been held for 26c. since last fall and now show a large loss.

Hides.—The market is dead and unchanged.
