

## THE MAKING OF A FAMOUS MEDICINE

**How Lydia E. Pinkham's  
Vegetable Compound  
Is Prepared For  
Woman's Use.**

A visit to the laboratory where this successful remedy is made impresses even the casual looker-on with the reliability, accuracy, skill and cleanliness which attends the making of this great medicine for woman's ills.

Over 350,000 pounds of various herbs are used annually and all have to be gathered at the season of the year when their natural juices and medicinal substances are at their best.

The most successful solvents are used to extract the medicinal properties from these herbs.

Every utensil and tank that comes in contact with the medicine is sterilized and as a final precaution in cleanliness the medicine is pasteurized and sealed in sterile bottles.

It is the wonderful combination of roots and herbs, together with the skill and care used in its preparation which has made this famous medicine so successful in the treatment of female ills.

The letters from women who have been restored to health by the use of Lydia E. Pinkham's Vegetable Compound which we are continually publishing attest to its virtue.

Pills for Nervous Troubles.—The stomach is the centre of the nervous system, and when the stomach suspends healthy action the result is manifest in disturbances of the nerves. If allowed to persist, nervous debility, a dangerous ailment may ensue. The first consideration is to restore the stomach to proper action, and there is no readier remedy for this than Parlee's Vegetable Pills. Thousands can attest the virtue of these pills in curing nervous disorders.

## Could Not Work ON ACCOUNT OF SEVERE HEADACHES.

Headaches are generally caused by some disturbance of the stomach, liver or bowels, and although not a serious complaint, the cause should be removed before they become habitual and make your life miserable.

You will find that Milburn's Laxa-Liver Pills will remove the cause by moving the bowels gently, safely and surely, refreshing and strengthening the stomach, toning up the liver, and thereby banishing the headaches.

Mrs. J. Armstrong, 7 Harris St., St. John, N.B., writes:—"I take pleasure in writing you concerning the good I have received from using Milburn's Laxa-Liver Pills. I had such severe headaches I could not do my work, but after using two vials of your pills, I can now do my work with comfort and pleasure."

Milburn's Laxa-Liver Pills contain purely vegetable matter and do not gripe like harsh mineral purgatives do. Price 25c. a vial at all dealers, or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.

## Cause of Early Old Age

The celebrated Dr. Michenoff, an authority on early old age, says that it is "caused by poisons generated in the intestine." When your stomach digests food properly it is absorbed without forming poisonous matter. Poisons bring on early old age and premature death. 15 to 30 drops of "Seigel's Syrup" after meals makes your digestion sound.
