Published Monthly.

By the Home Publishing Co., Ltd., Winnipeg, Canada.

No. 6.

The Subscription Price of The Western Home Monthly is \$1.00 a year or three years for \$2.00 to any address in Canada, or British Isles. The subscription to foreign countries is \$1.50 a year, and within the City of Winnipeg limits and in the United States \$1.25 a year.

Remittances of small sums may be made with safety in ordinary letters. Sums of one dollar or more it would be well to send by registered letter or Money Order.

Postage Stamps will be received the same as cash for the fractional parts of a dollar, and in any amount when it is impossible for patrons to procure bills. We Always Stop the Paper at the expiration of the time paid for unless a renewal of subscription is received.

Change of Address.—Subscribers wishing their address changed must state their former as well as new address. All communications relative to change of address must be received by us not later than the 20th of the preceding month.

When You Renew be sure to sign your name exactly the same as it appears on the label of your paper. If this is not done it leads to confusion. If you have recently changed your address and the paper has been forwarded to you, be sure to let us know the address on your label.

A Chat with Our Readers

Pleasant summer days suggesting new thoughts and pleasant ideas are now with us and many of our subscribers will doubtless have under consideration a few weeks of holiday. Even from the Western Prairie, with its many attractions and climatic advantages, it is sometimes profitable to make a short change for recreation and relaxation. It has occurred to us that many of our subscribers could easily arrange the financial end of this holiday without drawing on any private resources by doing a little subscription work for us during the month of June. The work itself will be found extremely pleasant and we venture to say that the popularity of The Western Home Monthly will make it also surprisingly easy. It needs but one or two outings among one's friends and immediate acquaintances to accomplish considerable with this proposition of ours.

Write us the moment you read this page for particulars and we feel sure that we can interest you. In this magazine you have a publication that has for fifteen years enjoyed a first place in the regard of the Western people and that has been endorsed to an unequalled extent by their enthusiastic support.

Our Canadian summer is all too short so we have to crowd a lot of summer ideas, articles and stories in the next three or four issues. The summer months call for seasonable literature and illustration and our readers will find that we shall live up to our promises. The July issue, which as usual will be a Special Exhibition number, comes next and we guarantee it to attain the usual standard of excellence.

That Rogers A. A. Cutlery Set is just the success we anticipated it would be. Evidently getting eight subscriptions does not seem to worry our readers very much, as some of them, so they tell us, have qualified for the premium in a few hours. If this premium appeals to you—and surely it does, as extra cutlery is always mighty useful—why not start right away and interest your neighbors in The Western Home Monthly. We will gladly supply you with sample copies to assist you in the work.

Don't forget that the address tag on your paper tells when your subscription expires. Perhaps yours has nearly run out; better look and see.

Letters, in which the writers are more than a little kind to us, still reach us by every mail. Incidentally we might remark that every letter is read and carefully digested and any useful hints promptly taken advantage of. Sometime or other when time hangs heavily on your hands, let us have your opinions. We would really like to know what they are.

Dear Sir—I have had the great pleasure of reading some of your copies of The Western Home Monthly and would just like to say it is a splendid paper. Please find enclosed \$1.00 for one year's subscription to your valuable magazine. I think it one of the best papers published.

Miss E. L. Alcock.

Ladywood, Man.

Dear Sir—It is only four months since I sent in a trial subscription to your valuable paper, and I must frankly confess that I will not be without your journal in the future, even if it were double the price. Your paper has interesting articles for both young and old, and considering the premiums given, the journal is sent almost free. As my subscription is going to expire next month, I am sending in \$1.00 and wish to make use of your special spring offer. Wishing the journal every success, I remain,

H. S. Kawecki.

Crown and Bridgework New System Bridgework

Bridgework is the modern method of filling space caused by one or more missing teeth—without the use of a plate to cover the roof of the mouth.

It permits the fullest enjoyment while eating and does not interfere with the sense of taste.

It is performed without pain, is permanent, and in every way comfortable, being strong, clean, light and agreeable to the tongue and gums.

Even if the tooth be decayed and broken down to the gum line, and the nerve dead, the root can still be successfully treated and crowned, and restored to comfort and utility.
