

DO YOU LOVE TO READ BUT FIND NEW BOOK PRICES SHOCKING?

*The suprising facts about BJARNE'S:
a unique second-hand bookstore*

You won't find new bookstores selling the books you *really* want at discount prices because the publishers set the prices. Most hardcovers are now over \$20 each, and even paperbacks range from \$3.95 to \$29.95! And if you're a student, textbooks are highway robbery.

So what is the alternative?
A good second-hand bookstore.

Bright. Friendly. Organized, with a large, diverse selection. And prices that are reasonable.

Bjarne's Books is located on Whyte Ave., corner 100 St., east of the tracks in Scona. We're a little hard to find because we're upstairs. But then our rent is cheap and we've found room for 10,000 good books. Most of them are hardcovers, and priced to sell.

Here are some examples:

- Janson. *History of Art*. \$20.00
- Longford. *Eminent Victorian Women*. \$9.00
- Agatha Christie. 40 paperbacks at about \$1 each.
- Alberta: *A Natural History*. \$20.00 (now out-of-print)

If you're looking for a favorite book, or just want to save money, call or visit our shop.
