Tuesday, Thursday and Friday are the days for Tri-ple S at the A.A. Martin School. A lot of excitement happened there last week and more is on the way.

On July 8, a Novelty Nite was held that included a bingo game balloon-breaking game, and a bubbly-gum contest. The next Tuesday, the rock group, The Lords, practiced on the stage and kept the program of sports and games really hopping.

On Thursday, the Triple S group went to Heart Lake for the day and on Friday the week wound up with a big dance called Roger's A-Go-Go.

Attendance was excellent

considering this was the first dance of the year and it is certain the monstrous hordes will turn up for future dances

The Mast rising known as The Gaylords provided the music.

Speaking of future dances, this Friday, July 22, the Grooveyard will entertain. There will be re-freshments, prizes and decorations and the popular group The Lords will play from 8 to 11.30 p.m. Special admission prices will be given to Triple S Club members and it is hoped a record crowd will attend.

It was a Bazaar, put on by neighborhood children to raise money for the Star Fresh Air Fund. A whopping \$51 was raised through the sale of candy bars, ceramics, lemonade, toys and comics and clothing. The children gathered the items advertised and sald them all without dult halp. Mr. R.
