The Specification for the Log houses requires the doors to be hung on two feet hooks and Strap hinges, and the Contractor does not understand whether two feet hooks means a particular kind of hooks, or that the hinges are to be two feet long, which appears to be a great length for doors of common size and weight.

Be pleased to give the necessary instructions respecting all these matters as soon as possible.

I have the honour to be

Sir,

Your most obed. and most humble servt.

William Jones.
