I have the honor to be

To back of family. Much progress in farming
cannot be expected at them with that amount
of land. There are several who have in hand
under they take a portion of the nucleus land in
Barnes No 24 & 25 C. Their names are
William Brown, John Brown, Michael Brown, Joe
Chick, John Chick, Joe Brown, John Brown
Alec, Frank Paul, Joe Paul, Stephen Paul, John
Paul, Joe Albert Paul and son. Mrs Joe Wilton
son, Stephen Jones, Michael Dolan, Augustine William
- Silbey. The latter three got married & moved
of Peter Brown, and remained here in Peter
county. Augustine William is from P.E. Island, and
the other two from Antigonish Co.
Barnes "B" of John Brown is not
occupied by any one. It is under moss, but
could be cleared very easily. Barnes "A" is also
our land clear and the other half under moss.
It is all taken up in small lots.
