Rev. Wm. R. King,
Secretary, Home Missions Council,
105 East 22nd St.,
New York, N. Y.

Dear Mr. King:

I have your very kind letter of April 10th.
Am sorry indeed that special engagements have made it
impossible for me to see Dr. Young on the subject matter
of your letter.

I am sorry also that I cannot possibly
accept the invitation which you extend on behalf of
the three Councils whom you represent. I could not
justify myself in undertaking to go to Washington in
December next; in fact, I think it would be physically
impossible for me to do so. In any event my duties here
will make it imperative that I remain.

I appreciate very much indeed the honour
and confidence reflected in the invitation, and beg you
to extend my gratitude and regrets to the Councils con-
cerned.

Yours very truly,

AM/E.

Arthur Meighen.
