

The parcels of land referred
 to on the Larrea Reserve for
 oil, gas salt or minerals,
 provided that he will execute
 an agreement in writing
 to compensate through the
 Department, the individual
 occupants of such land for
 any damage that may be done
 to the land by such exploration
 or testing, but in the event
 of oil, gas, salt or minerals
 being discovered by him the
 same will have to be dealt
 with on such terms as the
 Department may consider
 in the interests of the Indians
 and in
