Ottawa, November 15, 1919.

Rev. Sir,-

I have to acknowledge the receipt of your letter of the 12th instant enclosing a letter from the teacher of the Big Cove Day School with reference to certain children who have not attended school for sometime.

In reply I beg to say that the Department is instructing Agent Griffiths to call on the parents of these children and endeavour to have the children sent to school regularly in future.

Your obedient servant,

Asst. Deputy and Secretary.
