

PLEASE OBSERVE.

THE LIBRARY is arranged in three divisions : Junior for the younger Scholars ; Medium for the older ones ; while the third is more specially designed for Teachers and members of the Bible Classes.— It is, however, not intended that Scholars should restrict themselves to any one division.

Bring your book up to the Library immediately after entering the School-room.

A Book must not be kept out more than two weeks, and if returned injured, or with the numbers, either inside or outside, defaced, will prevent the drawing of another for two Sabbaths.

Teachers will please write the numbers plainly, and exactly opposite the Scholar's name, and immediately after the formation of the Class. Not less than five numbers to be put down.

The name of a new Scholar to be given to one of the Librarians on a slip of paper, and such Scholar not to receive a Book till the next Sabbath.

Scholars will not be permitted to change Books one with another, or at the Library after being selected, or to draw a Book in the name of an absent, or any other Scholar.

It will be much to the advantage of all, if the Teacher would require the Scholars to select their numbers at home, and bring them on a slip of paper.

Parents and Teachers are respectfully requested to use their influence to secure the carrying out of these Rules.
