1888-1892/93

COMMENDA

THE compiler's work is complete record of work done for the we, as a denomination, having being scarcely a department of our ment.

There is no report from the is to be regretted, but there was no West Convention was held a consi copy was sent.

It will also be noted that the 1888. Our Associations are in a tra of bounds, names, etc., proposed la the minutes of a few, the time and tes of the others. In this state of
