A Unique Booklet for the Children

The Children's Guide to Christ and to **The Lord's Supper**

By Rev. ROBERT POGUE

PETERBORO, ONT.

Mr. Pogue's book on The Lord's Supper for older young people, is widely known. This new book is for those of younger age, namely, from, say 9 to 14—the time of times to lead the boys and girls truly to know their Lord and Saviour, and to come to His Table.

"It is to supply this need that this little book, says Mr. Pogue in the Preface, has been written. It is written in simple, concrete, illustrative style, in the hope that it will appeal to, and be read by, the young of all ages. It may be used by Parents and Teachers, and by Ministers in Communicants' Classes. Mothers may use it to great advantage by reading it chapter by chapter with their children. Used thus, it will serve as a basis of further instruction in the way of Life, and as a guide to the Lord's Table."
