HOLSTEIN-FRIESIAN NEWS

Farm and Dairy is the leading exponent of dairying in Canada. The great mass of its members Association are readers of the paper. Members of the Association are invited to send items of interest to Holstein breeders for publication in this column.

MAY ECHO SYLVIA IN U.S.
B REEDERS will be interested to learn that Canada's greatest cow, May Echo Sylvia, has been taken across the line and bred to the great bull, King Co., Liverpool, N.Y. She will remain in calf. Can anyone prophesy that a heifer calf from this cross would break used as a sire?

THE MORROW SALE.
B EFORE this issue is in the hands of our readers, Mr. R. G. Morrow's sale of the past May breeders will have added those good young individuals to their herd, or the high bidder will have got started through the catalogue of this sale is quite convincing. Breeders and breeding of the outstanding animals in the sale. It is to get a good record book with extended pedigree forms and keep such animals can supply these at a very reasonable price. Write for samples.

NEW 8-R. 4-YR.-OLD FAT RECORD.
I am pleased to report that the Holstein-Friesian cow, Escorton, Beauty Johanna 16146 has broken the four-year class in the senior year, producing in strictly official test for 327 lbs. fat, with 33 days containing 550.25 run she freshened at the age of 4 years, 10 months, 21 days. Her sire is dam is Beauty Pieteritz Dakota 05785; her sire was bred by Mr. C. A. Treat of Raville, Ont., and she is now owned by Mr. George P. Stevenson of Waverly, Ont. In the senior four-year class of the Ontario 14473, whose official record is 365.1 lbs. milk, 23.83% fat, milk containing 88.52 lbs. fat. Eleven supervisors have been employed thus far in the conduct of this test, computed on the 89 days. The equivalent butter produced would amount to 1,187 lb. lbs.

Supt. of A. R. Delavan, Wis., Oct. 9.

WELLINGTON CO., ONT.
ARTHUR, Sept. 12.—We are having very dry weather since July. Crops are very short and poor. There are no potatoes and no root. Potatoes in stores are 60c a peck; tomatoes, 50c a basket; peas, 50c a bushel; 24c a bushel; no plowing done as the ground is too hard. J. D. T.

WATERLOO CO., ONTARIO.
WATERLOO, Oct. 4.—At last we have had rain, and after being seven four weeks, wheat is coming up. Plowing also goes fine now. Corn cutting is about over, but most soils are not fully with Mr. Paul Macdonald's neighbors, frame barn 19 days after the old barn was burnt. Wheat and timothy are being harvested, but are a poor crop. Butter is 35c to 36c a pound. The first school fair in this district was held yesterday in Bridgeport. Fine weather, a good crowd and splendid exhibit, none the fair an unqualified success.—C. H. S.
