**GALT, ONT.**—Alex. Byers intends building some residences in the spring.

**ALVINSTON, ONT.**—John Morwood proposes starting an excelsior mill here.

**MEAFORD, ONT.**—Steps may be taken this year to build a new town hall.

**SHEFFIELD, ONT.**—The Odd-fellows Society propose building a new hall this spring.

**CLANFORD, ONT.**—Allen Young and Austin Smuck each intend building a brick residence.

**NEWMARKET, ONT.**—G. A. Binns has purchased a lot on Botsford street on which he intends building a fine residence.

**HANOVER, ONT.**—Bids are invited by W. D. Mernes up to 14th inst. for purchase of \$15,600 local improvement debentures.

**ESSEX, ONT.**—Bids will be received by W. D. Beaman up to 10th inst. for purchase of \$1,500 5 per cent. 15 year debentures.

**BROOKHOLM, ONT.**—J. W. Fox wants tenders by Tuesday, 14th inst., for the erection of a church at Shouldice, Township of Keppel.

**COBOURG, ONT.**—Plans are being discussed for the erection of a House of Refuge for the county of Northumberland and Durham.

**DELMER, ONT.**—Tenders for erection of a church here will be received by W. H. Kipp up to 25th inst. Plans at his residence after 12th inst.

**NAPANEE, ONT.**—Mr. Carson, of Belleville, has submitted a proposition to the Town Council to build a canning factory here costing \$15,000.

**ST. CATHARINES, ONT.**—The County Council have appointed a special committee to look after the building of a bridge to replace Robins' bridge.

**NORTH BAY, ONT.**—The Trustees of the Methodist church have appointed a committee to report as to the probable cost of building a new church.

**DUNCANS, B.C.**—It is proposed to submit a by-law to the ratepayers empowering a company to provide waterworks and electric light systems.

**PRESCOTT, ONT.**—A by-law will likely be submitted to the ratepayers at an early date to raise funds to install another waterworks pump and boiler.

**BURKS FALLS, ONT.**—The ratepayers will vote on a by-law on the 27th inst. to raise \$7,000 by debentures for additional cost of constructing the waterworks system.

**SARNIA, ONT.**—The question of joining with the Bosanquet Township Council in building the Klondike bridge will be considered at the June session of County Council.

**VICTORIA, B. C.**—Tenders will be invited at once for the supply of electric light carbons for city lighting.—The contract for the new C. P. R. hotel has not yet been awarded.

**CHATHAM, ONT.**—The new Council are discussing the erection of a new

market building, and it is probable that the local architects will be asked to again submit plans.

**ST. THOMAS, ONT.**—It is believed that a union station will be built here in the near future. The railroads interested are the Watash, the Pere Marquette and the Michigan Central.

**LEAMINGTON, ONT.**—Mettam, Tendon & Co., hardware merchants, have purchased a site on which they propose erecting a two-storey building of cement blocks, with plate glass front.

**FREDERICTON, N. B.**—C. H. La-Billois, Commissioner of Public Works, is asking for tenders up to Monday, 20th inst., for rebuilding "Forks" bridge over Eel river in parish of Dalhousie.

**PORT COLBORNE, ONT.**—Engineers were in town last week making preliminary surveys for the erection of a new bridge crossing the canal at this point for the Grand Trunk Railway.

**TRURO, N.S.**—Tenders will be received by Hugh Mackenzie up to Monday, February 27th, for the erection of a home for the poor. Plans at the office of Dougald Henderson, Revere street.

**TORONTO JUNCTION, ONT.**—The Wilkinson Plough Co. have made application for a site immediately east of Campbell ave., it being their intention to establish a new manufacturing industry.

**ORILLIA, ONT.**—C. E. Grant, Town Clerk, wants tenders by 15th inst. for purchase of \$41,000 4 per cent. debentures.—Father Moyna has in view the erection of a new R. C. church to cost about \$30,000.

**STRATFORD, ONT.**—A deputation from Downie, Fullerton and Blanshard townships have petitioned the County Council to build a bridge over the Thames river on the town line at the junction of these townships.

**REGINA, N.W.T.**—The City Council have decided to submit a by-law to the ratepayers to raise \$60,000 for building a new city hall.—The Dominion Government have purchased a site for the proposed post office.

**MEDICINE HAT, N. W. T.**—It is estimated that the proposed municipal building will cost in the neighborhood of \$30,000.—Tenders have just been taken for the supply of a considerable quantity of iron pipe.

**ST. HYACINTHE, QUE.**—Tenders for the erection of a drill hall at this place will be received at the Department of Public Works, Ottawa, up to Thursday, 16th inst. Plans on application to the caretaker here.

**CHARLOTTETOWN, P. E. I.**—An engineer has estimated the cost of a new electric plant for the city at \$21,550. Should a new plant be installed it will be operated by steam, as there is no water power available within reasonable distance.

**TUCKERSMITH, ONT.**—Tenders are invited by A. G. Smillie, up to Saturday, 18th inst., for the construction of cement concrete abutments for a 90-foot bridge over the Bayfield river. Plans at Mr. Smillie's office and at the town hall, Seaford.

**GODERICH, ONT.**—The County Council will build the following new bridges the coming summer: On the 9-mile creek, 2 miles south of Lucknow; on the Maitland river, known as Morris Bank bridge, and on the Bayfield river, known as Maccan's bridge.

**PAISLEY, ONT.**—Greenock Township Council will shortly call for tenders for rebuilding Watson's bridge, steel superstructure on cement abutment. It may be necessary also to rebuild the Riversdale bridge and another bridge 300 feet long on the 18th Concession.

**OWEN SOUND, ONT.**—The Board of the General and Marine Hospital have asked the County Council for a grant of \$10,000 for the enlargement of the building.—As a means of reducing the consumption of water, the town may install meters on the service, at a cost of about \$18,000.

**NEW WESTMINSTER, B.C.**—The new saw mill for the Small & Buckland Co. has not been definitely located.—The scheme of the Chilliwack Light & Power Co., to build an electric railway from this city to Chilliwack, was endorsed at a special meeting of the Board of Trade last week. J. B. Morgan, of Chilliwack, is the promoter.

**QUEBEC, QUE.**—F. Simard & Co., dry goods merchants, have purchased the large building, corner St. Joseph and la Chapelle streets, and another building adjoining, and will rebuild them in the spring.—It is reported that the Protestant Board of School Commissioners have about decided upon the erection of a new school building to replace the old Elgin street school.

**WOODSTOCK, ONT.**—McKay & Mahon, solicitors, give notice of proposed application to parliament for the incorporation of the Woodstock and Lake Huron Railway Company, for the purpose of building a steam railway from Woodstock to St. Mary's, with branches to Grand Bend, Goderich and Kincardine. Woodstock capitalists are behind the project.

**KINGSTON, ONT.**—The Department of Public Works, Ottawa, are asking for tenders up to Friday, 17th inst., for the construction of a stable for "B" battery at this place. Plans at the office of Arthur Ellis, architect.—Plans have been received from Ottawa by a local architect for the new skating rink to be built at the Royal Military College, cost about \$7,000.

**ST. JOHN, N. B.**—At the annual meeting of the Pender Nail Works Co., held last week, it was decided to erect a new mill to cost about \$25,000.—Snow & Barbour, of Boston, have finished the surveys for the proposed waterworks extension for this city and specifications for the work will now be prepared.

**WALKERTON, ONT.**—The Walkerton and Lucknow Railway Co. have petitioned for power to construct a railway from Hanover to a point on the Toronto, Grey and Bruce Railway between Fiesherston and Dundalk; from Lucknow to Wingham, and from Teeswater to Kincardine. Alexander Shaw and J. H. Scott, of this place, are interested.

**BRANDON, MAN.**—The City Council are about to ask for tenders for 7,000 barrels of Portland cement and 15,000 ft. of 8 inch vitrified sewer pipe, also for laying proposed water mains.—The City Engineer has been instructed to prepare plans and call for tenders for proposed lateral sewers in District No. 1. A trenching machine will be purchased upon the City Engineer's recommendation, at a cost of \$4,650.—The provincial estimates provide \$11,800 for the lands title office here.

**PETERBORO, ONT.**—The managers of St. Andrew's church propose providing increased accommodation by the erection of a large gallery on three sides of the edifice.—Three new churches will be built here this year, namely, the Park street Baptist, All Saints Anglican, and the Methodist church in the south end of the town.—Notwithstanding that the by-law to provide funds for the erection of a new fire hall was defeated by the ratepayers, it is probable that the Fire, Water and Light Committee will take some steps this year to provide better fire protection.
