which the U.F.W. was to her personally. Thirteen members and 11 visitors attended the meeting.

Three Hills U.F.W. will hold their annual concert on May 24, and are busy making preparations for same. At their meeting on May 4, the matter of serving lunch at same was discussed. We are looking forward to receiving a report of this event at a later date, and we trust that it will prove a very successful and enjoyable one indeed. Our provincial vice-president, Mrs. J. F. Ross has been invited to address the gathering on that occasion. Plans are being made by the members of this local to circulate a petition to secure a Rural Hospital in the municipality. The local is also raising funds to establish a rest-room, but has not sufficient on hand to furnish same.

A meeting of the Custer U.F.W., at which two new members were enrolled was held on May 8. The subjects discussed were Food Conservation and Red Cross Work. The members decided to hold a rummage sale in June for the Red Cross, and to raffle a quilt for the same purpose. They hope to raise at least \$100. A donation of \$5.00 was sent the Y.M.C.A. Military Branch.

At the April meeting of the Mirror U.F.W. the delegates who attended the Girls' Conference gave very excellent reports, and seemed to be full of enthusiasm. The meeting unfortunately was not very well attended, as the members were all busy seeding. The Conservation of Food was also discussed.

Blackie U.F.W.A. held its regular meeting on May 4, which was well attended. 11 members and five visitors being present. The subjects discussed were Profitable Breeds of Poultry and Making Home Profitable. Both these subjects are very interesting, and we feel sure that the members will derive considerable benefit from the discussion of same.

Mrs. Paul Smith, secretary Kneller W.G.G.A., forwarded \$35 as contribution to W.G.G.A. Ambulance, and \$5.00 to the Young Women's Christian Association. She also sent a copy of a printed program of Kneller W.G.G.A. meetings for April, May and June. This dainty folder gives the objects of the Women's Section, list of local officers, and title of subjects to be discussed at each meeting, including such timely topics as: Gardening, Food Conservation, and Easy Sunday Dinners. It announces that the question box is a feature of every meeting. Copies of other W.G.G.A. programs will be welcomed by Violet McNaughtan, hon. sec., W.G.G.A.

On May 4, we had our regular W.G.G.A. meeting with only seven members present, as this is the busy month for grain growers. We gave out the yarn ordered for Red Cross work since last meeting and decided to send for more wool. We also decided to meet the second Thursday in each month and have this as a special work day so that more could be accomplished at Red Cross work.—Miss Agnes Somers, secretary, Markinch W.G.G.A.

Wildwood U.F.W. which was organized in February last, received its name at the meeting held on March 16, and we congratulate the members on their choice, as we think it is a decidedly pretty one. The local is interested in Red Cross work, and completed a bag of sewing this spring.

A contribution of \$22.50 has been received from the Peerless U.F.W. for the Red Cross Fund. This local has just recently been organized, and the money was raised by means of a social and entertainment.

Stettler U.F.W. has forwarded the sum of \$45 for the Red Cross, but the secretary does not state how the money was raised.

Sterling U.F.W. has forwarded \$15 for the Red Cross and \$15 for the Y.M.C.A. Military Branch.

Mrs. Fred Sedgewick, of Killam, sent \$10 as a donation to the Belgian Relief Fund.

FREE TO BOYS AND GIRLS This Lovely Pony or \$100.00 Cash

Can You Solve This Great War Puzzle?

WHO WANTS ME?

Four Things That Will Win The War

WHAT ARE THEY?

THE 16 Circles above can be made to spell out the names of the four chief things that are going to win the war. Our bright loyal Canadian boys and girls can help provide at least one of these things—Every boy and girl should know all of them. Can you tell what words the four magic circles represent?

How to solve it.—Each circle represents a letter of the word called for. The number of dots in the circle represents the position of that letter in the alphabet. For instance: "A" would be represented by a circle with one dot because it is the first letter of the alphabet. "B" would be represented by a circle with two dots because it is the second letter. "D" by four dots and so on. You must correctly count the dots in each circle, figure out the letter represented by its position in the alphabet and when you have them all figured out put them into proper rotation to spell the name wanted. It's not an easy puzzle but if you can solve it correctly you may win this lovely shetland pony or one of the grand Cash prizes above.
