**Liquor Sellers Fined.**

The illicit booze sellers in Teeswater were severely punished this week. Jacob Lambertus, owner of the Vendome Hotel, where liquor is alleged to have been found by the barrel, was fined \$200, and his son, Alex Lambertus, was fined \$320 and costs, which amounted to \$50.60. David Caplin, a Jewish junk dealer, was convicted of keeping a blind pig, and fined \$100, and costs \$12.50. George Kuenneman, proprietor of the Decemerton hotel, pleaded guilty to selling liquor during prohibited hours, and was fined \$50 and costs. The cases were tried by Magistrate Barker of Kincairdine. The convictions were secured by a Government spy, a Jew, who hung around the hotels, and wormed his way into the hotelkeepers' confidence, after which he found matters easy. He tried his game on the four Mildmay hotelkeepers on Sunday June 25th, but was not given any liquor here.

**The New Coin.**

The new Canadian copper cent just issued has on the obverse side the effigy of George V., consisting of head and bust, wearing the imperial crown, robe of state and collar of the garter and looking to the left with the inscription, "George V. Rex Et Ind. Imp." On the reverse are the words, "One cent, Canada," the date of the year within a beaded circle, surrounded by a wreath of entwined maple leaves.

**The Heat Wave.**

The first week in July bears the unique record of being the hottest ever experienced in Canada. Saturday the temperature went up to 97, Sunday 101, and Monday to 103, and on Tuesday the temperature dropped to 95 again. Cooler weather and thunderstorms are promised before the end of the week. Forty three children in Toronto died from the heat during the first three days of July. Rain is badly needed in many parts of Ontario.

**Dominion Day.**

The greater part of those who spent Dominion Day out of town went to Port Elgin to enjoy the lake breezes. Among the attractions there, was a football match between Walkerton and Mildmay league teams, the Mildmay outfit winning by 1 to 0. The weather was oppressively hot, so neither team exerted themselves unduly. A baseball match between Southampton and Port Elgin resulted in favor of the former, by 23 to 10. The winning team is managed by our former townsman, Mr. Hy. Hoefling.

**Walkerton Intermediates Out.**

The Walkerton Intermediates did not go very far in the W. F. A. semi-finals. Last Thursday, they played at Listowel, where they went down to defeat by 3 goals to 0. The return game was played at Walkerton on Tuesday, Listowel coming up with a special train. The result of the last game was 2 to 1 favor of Walkerton, which gives Listowel the round by 4 to 2. It was a good fast game, and the county towners put up a strong argument against the visitors, who are a well balanced outfit, and look like pennant winners. A. W. Hinsper refereed the game satisfactorily. Listowel now meets Owen Sound, who won from Inglewood.

**Double Drowning Accident.**

A double drowning fatality took place on the South Line, Brant, on Sunday afternoon, which has cast a gloom over this locality. Five boys, Ben Swandt, Norman Juergens, Leander and Albert Pochman and Martin Kirstine, went down to the river last Sunday afternoon for a bath. All went in, except Albert Pochman, and after enjoying themselves for a time, they decided to go home. Three of the boys, however, changed their minds and went in for another dip, leaving Ben Swandt dressing on the bank. They were only in a few minutes when two of them, Leander Pochman and Martin Kirstine, got into deep water. Seeing their danger, Norman Juergens, who was a fair swimmer, at once went to the rescue, calling at the same time to Swandt to help him get the boys out. Norman grabbed Kirstine and brought him to shallow water, where Swandt was waiting to take the boy ashore. Norman then swam back to rescue his other companion, but when he got near him, Leander closed upon him with a drowning man's grip, robbing Norman of the use of his arms. They both went down and were never seen again to rise. Ben Swandt, the only big boy remaining, could not swim so he was helpless to give assistance. The alarm was given and the searching party with a boat, soon recovered the bodies, which they found lying about fifteen feet apart. Norman was the only child of Mr. and Mrs. Charles Juergens jr., and was about seventeen years old. He was a very quiet boy, and well liked by his neighbors. The funeral took place on Tuesday afternoon at the Hanover cemetery, about 140 rigs following in the procession. Leander was the oldest son of Michael Pochman, leaving one brother and four sisters, his mother having died 6 or 7 years ago. The terrible sadness of the case is accentuated by the death of Mr. Pochman, which took place on Tuesday after a prolonged illness with cancer of the stomach. The boy's funeral took place on Tuesday morning to the Karlsruhe cemetery, and was largely attended. He was 17 years old, and the only boy that was able to do any work about the farm.

**Wood.**

If you want some of that good dry maple board refuse order it now, or we may be sold out. Geo. Schwalm & Sons.

**Broke His Arm.**

Herbert Weiler was the victim of an accident on Sunday evening which resulted in the fracture of his arm. He was descending the steep embankment at the foundry, when he slipped and fell with the above result.

**Victim of Sunstroke.**

Just before going to press we learned of the sudden death of Leo, son of Mr. B. Ruland of Decemerton, which took place on Wednesday afternoon at Owen Sound, where he had been working. He was about 23 years old, and was a quiet inoffensive young man. The remains will be brought to Decemerton for burial.

**A Warning.**

One day last week one of our local merchants detected a lady, the wife of one of our prominent business men, "shop lifting." As the article "lifted," a can of evaporated cream, was not of great value, the merchant did not say anything about it, but the lady in question may rest assured that in future "trips" again she will have to suffer the consequences.

**Moyer—Kunkel.**

A happy event took place at the R. C. Church Formosa on Monday of this week when Mr. Andrew J. Moyer of Carrick, was united in marriage to Miss Mary, eldest daughter of Mr. and Mrs. John Kunkel of Formosa. The ceremony was performed by Rev. Dean Gehl. The bride was assisted by Miss Agnes Moyer and Mr. Peter Kunkel acted as best man. The happy young couple will reside on Mr. Moyer's farm on the 7th concession of Carrick.

**Carrick Loses Suit.**

Judge Tetzelt has given his decision in connection with the action brought by Mrs. Kelly of Ambleside, against the Township of Carrick. Plaintiff sued as administratrix of Patrick Kelly and on behalf of her children, for damages for the death of her husband on a highway in defendant township, from being upset from the cutter in which he was driving, with his wife and daughter, at night, during a storm. Judgment: I am of opinion that the evidence in this case establishes that the defendants were negligent in allowing the embankment to remain unguarded, and that such negligence was the cause of the plaintiff's loss. It is difficult to fix a sum to represent the actual pecuniary loss, but I think that \$800 is not an unreasonable sum to allow her. I allow to the youngest daughter Charlotte Kelly, who lived at home, \$300. Judgment for \$1,100 apportioned as above and costs.

**Larger Show Ground.**

Will you kindly allow me a little space in your valuable journal to express my views in regard to our fall fair. The Carrick Agricultural Society are to be congratulated on the success of their shows in recent years, but if our exhibitions are to grow and expand, larger premises must be secured. It is absolutely impossible to show harness horses to advantage on the very limited ring space available on the town hall ground. I understand, however, that the Mildmay Park & Rink Co. have just completed the construction of a fine track on their park, and it just struck me that an arrangement might possibly be made with the Company for the use of their grounds for show purposes at a reasonable rental. These grounds are very convenient to the town, and to my mind would be much more suitable in every way for an exhibition park. I would like to hear the opinion of others on this matter.

AN EXHIBITOR.
