

BROWN TAIL MOTHS

Reports received from the Brown Tail survey parties now engaged in small work, show that this pest in New Brunswick is in practically as large a number as last year.

Owing to the inclemency of the weather, and several other things taking place at the same time, the attendance on the survey parties was not so good as last year.

Mr. T. A. Hart, M.P., acted as chairman in a few opening remarks stated that the total amount collected in Canada last year for the Patriotic fund, was about 70c per head.

Several provinces had averaged more than that amount, but the Maritime Provinces had fallen short, and only contributed about 36c per head.

This year one dollar per head was needed, and the fair share for this amount was collected in the Maritime Provinces, as the need was being more generally realized than in the case last year.

The following is a list of the programs given at the various schools and churches in the district during the week ending Dec. 23.

For Little Printing Jobs, every editor sarcastically remarks wants to buy a sack of flour, a shoe and a straw hat, and he is to receive the lowest bid.

PATRIOTIC CONCERT

The programs given at the Sunday School entertainment, in the Methodist Church on Monday evening, December 29, with a few additions, in aid of the Patriotic fund.

Owing to the inclemency of the weather, and several other things taking place at the same time, the attendance on the survey parties was not so good as last year.

Local and General

Christmas Day in St. Andrews was passed rather more quietly than usual. It was a "green Christmas," the ground being bare, and the weather decidedly unpleasant.

—What kind of a typewriter? A very responsible decision to make, deciding in a day the typewriter you are going to use for a year.

On Sunday last the storm which prevailed over the north-east part of the continent, struck St. Andrews with great violence and a terrific downpour of rain.

A special train came in on the evening of December 24, and had on board several passengers who had mixed connection with the train that arrives here at noon.

During the heavy gale on Sunday last, the wind-bell on Gardner and Deane's premises was blown down.

Father McPhail, St. John, officiated at the services in the Church of St. Andrew on Christmas day, and the following Sunday.

The annual Christmas entertainment of the Methodist Sunday School was held in the Church on Monday evening last.

A lengthy programme of songs and recitations was carried out by the pupils of the Sunday School, assisted by the choir, and it was much enjoyed by those present.

After the programme was completed, Santa Claus arrived on the scene and distributed presents from a well filled tree to the members of the Sunday School.

The many friends of Miss Tilly Carter will be pleased to hear that she has successfully completed the probationary period at the Wentworth Hospital, Dover, N. H.

One of the pleasing events of the week was a Musical recital given by Miss Adelaide Kerr and her pupils at the home of Mrs. C. S. Everett on Tuesday afternoon.

Tea was served at the close of the programme. A small fee was charged, and as a result the sum of \$7.00 has been added to the local Red Cross.

China Hall wishes all a very happy and prosperous New Year and thanks the public generally for the liberal patronage extended.

We are indebted to Capt. Geo. P. Ryder, Recruiting Officer, St. Stephen, for the following list of recruits enrolled during the week ending Dec. 25:

Samuel Lewis Freeman, Esq. sport, 18 David Fox, Esq. sport, 24 Paul Eugene Graham, Moore's Mills, 18 Harold Everett McDonald, St. Stephen, 18

There were two services held in All Saints Church on Christmas morning: one at 8.00, and the other at 11.00 o'clock.

The first fatality since the completion of the new bridge at the Reversing Falls was a sad one indeed, for it was that of a soldier, Private J. R. W. Scott, who, returning a few days ago to Canada, not quite in his right mind, tried to recover his cap that had been blown over, and fell into the churning waters of the Falls.

Private Scott was from one of the Vancouver regiments, a bank clerk in charge of the party to go west was also from Vancouver.

Private Scott was a Medical Corps man, who had only been in Canada five years, but owing to the military regulations, though his parents still live in England, he was being sent back to where he enlisted.

He was regarded as quiet, and it was expected that he would completely recover in a few months. The rest of the party went west by the arranged train—St. John's Globe, Dec. 24.
