

PARLIAMENT

(Continued from Page 1.)

Mr. George E. Foster followed Sir Wilfrid and criticized the policy of the government as foreshadowed in the speech from the throne. He taunted Hon. William Pugsley with not having been a consistent Liberal and a man who had submitted to some defeats. Mr. Pugsley replied that Mr. Foster had a splendid record of failure in New Brunswick appointments.

VALLEY FARMERS GET GOOD PRICES

Business Through Cornwallis and Annapolis Valleys is Encouraging—Some Statistics

KENTVILLE, N. S., Dec. 2.—The business features of the Cornwallis and Annapolis Valleys during the present season have been excellent. This is due to the fact that good prices have been obtained for what the farmers had to sell. Probably no where else on this continent has the apple crop been so excellent in quantity and quality, and with a shortage elsewhere better prices have been ruled than any previous season, and still in the prospect of a bumper crop of winter fruit. It is confidently expected that from 500,000 to 650,000 barrels will be shipped before the close of the season.

The potatoes are also proving good, and already the following vessels have sailed with cargoes for Havana, Cuba: This port takes all of the Valley potatoes: Schooner Adams, 4,180 barrels; sch. Zeta, 4,270 barrels; sch. Hugh G., 4,600 barrels; sch. Rescue, 3,764 barrels; sch. Hartney W., 3,797 barrels; sch. Margaret C., 2,903 barrels.

Of the above vessels W. U. Chase & Co. of Wolfville, N. S., shipped four cargoes; J. W. & W. T. Fullerton, Port Williams, shipped one cargo, and Howard Bligh & Sons, Halifax, shipped one cargo. Other vessels are now loading for the same port.

Prices here, as elsewhere, are ruling high for everything a person has to buy. Hay has reached the abnormal figure of \$20 a ton, and oats 15 cents per bushel. There is a great scarcity of butter and eggs in the valley, and the residents of the towns at times have much difficulty in obtaining these articles. The price of grain is also high and with difficulty to obtain.

The Dominion Atlantic Railway is increasing its rolling stock. A large quantity of steel rails has recently been imported from Great Britain. One large locomotive has been imported from the United States, and others are on the way. Colonel Denny, one of the chief engineers of the company from England, recently arrived and inspected the road. He was accompanied by R. L. Campbell, the secretary of the road.
