MONTREAL LIVE STOCK.

MONTREAL, Dec. 1.—At the Montreal Stock Yards, West End Market, offerings for sale this morning amounted to 1900 cattle, 500 sheep and hambs, 1200 hogs and 350 calves.

There was no further change in the condition of the market for, cattle today, but prices were well maintained at the advance noted a week ago on account of the continues to be a steady demand for supplies of common cattle for shipment to the United States, but the volume of trading doing in this direction is by no means as large as it was sometime ago. Demand from hutchers was only for small lots to fill actual wants. Packers bought freely, however, and sales of a few loads of choice steems were made at \$7.75 to \$3 and good at \$7.25 to \$7.50 per 100 pounds.

Sheep and Lambs Wanted.

The feature of the small meat trade continues to be the strong undertone to the market for sheep and lambs. Prices for the former have scored a further advance of 50c and for the latter 25c per 100 pounds. At the higher range of prices there was a good demand and an active trade was done, with sales of western lambs at \$3 to \$8.25, and choice ewes at \$5.25 to \$5.50 per 100 pounds. The trade in calves is quiet, owing to the large falling off in the receipts, but there is a good demand from local buyers for all the choice stock offered at firm prices.

A weaker feeling developed in the local hog market and prices declined another 25c per 100 pounds, but at this reduction there was a keen demand from packers as some of them were short of stock, and an active trade was done with sales of selected lots at \$3 per 100 pounds weighed off cars.
