Collegiate Rugby Team Lost Exhibition Game

In an exhibition game of Rugby yesterday afternoon at Agricultural Park, the Collegiate Institute team again met defeat, this time at the hands of St. Jerome's College, Berlin, by the score of 19 to 0. The locals were unable to score a single point against the stonewall defence of the Berlin boys, who were heavier than the locals and seemed to be better drilled in the fine points of the game.

The locals were unable to put their regular team on the field and could not be expected to show their top form. Frank Wood was unable to play, which left a crippled back field. Kew, who was injured in Galt, played centre half and although he has never played the position before, put up a good game until he had to retire in the second half. He was easily a better punter than the player who did the booting for Berlin; his kicks were long and well placed. It is doubtful whether he will be able to play on Saturday.

The ground was in good condition except that the wet grass made the ball slippery and consequently was hard to handle, which accounts for the numerous fumbles made by both teams.

FIRST HALF.

Berlin started to score right at the start and within five minutes were across the line for their first touchdown, which was not converted. Kew kicked off for Brantford and Berlin got possession and again worked themselves up the field. Play was continuously in Brantford territory. Berlin scored another touchdown, which also was not converted. The first half ended with the score 10 to 0, in Berlin's favor.

SECOND HALF.

There were some changes in the Brantford line-up in this half. Kelly played quarter and Hurley went to right half. Although the locals tried hard to score, they could not seem to make any progress, simply because they were up against a better team. Berlin managed to run the score up to a total of 19. They got one touchdown in this half which was neatly converted by Ryan. This makes the

third loss of the season for the local boys, but they have yet a chance to redeem themselves by beating Guelph in Guelph on Saturday, but it is going to be hard work, as Guelph beat St. Jerome's 11 to 2 and St. Jerome's beat Brantford 19 to 0, and according to dope it can hardly be done.

Brantford will likely play a return game in Berlin next week.

In Cutler, who plays right half, Berlin has a very promising player. He made some good runs for big gains and was easily the best half back on either team. Another player deserving of special mention is McHugh, Berlin's outside wing. He made some fine tackles and is very fast on his feet.

Moffatt, for Brantford, was very effective with his line backs, which usually went for gains. The weak spot seems to be the back division and the scrimmage. The line up:

Shocker of Ottawa Signs With New York

New York, Oct. 21.—Bert Shocker, the right-handed pitcher drafted by the Highlanders from the Ottawa club of the Canadian League, has signed his contract for 1916.

Shocker has a great record. He is 24 years old, stands close to six feet and weighs 190 pounds. He played with Fort Wayne for a time in 1914.

Out of the 7752 saloons in Chicago, 42 violated the new closing law on Sunday.

HAD COURT ORDER TO ATTACH MORAN'S SHARE

New York, Oct. 21.—There were very few of the ten thousand spectators at Madison Square Garden Tuesday evening, when Frank Moran wrecked the hopes of Jim Coffey, who realized that by a slight margin of good fortune a desperate situation that would undoubtedly have resulted in a riot of serious consequences was narrowly averted.

Fifteen minutes before the big battle was to be staged Frank Moran threw down the gauntlet and defiantly announced that he was not going to enter the ring. An attachment which had been plastered against his share of the receipts brought about the startling crisis. The big blonde-haired battler, knowing about the court order, declared determinedly to the promoters: "No money, no fight." There was no use arguing with the fighter, for the situation had been thrashed out repeatedly and always brought forth the same response: "No money, no fight."

Bankers Won From Keystones

The Bankers and the Keystones rolled their regular schedule league game on the Y. M. C. A. alleys last night. The games were close and exciting as the scores indicate. The Keystones came within one pin of tying the Bankers' record for a game. The Keystones won two from the rivals and the third game was won in the last frame by the Bankers.

Hanson was high man with a single of 190 and triple of 332, while Cam

Thorburn was the Bankers' best bet with 442.

ENGLAND STILL AHEAD

Has Fastest Trains, Longest Non-Stop Runs and Lowest Fares in the World.

By Social Wire to the Courier
London, Oct. 21.—In spite of wartime economies and alterations in many time tables, England still has the fastest trains, the longest non-stop runs, and the lowest fares in the world, according to the Daily Chronicle.

The fastest train "for a fair distance," it is explained, is the morning express from London to Bristol, which makes this run of 119 1/2 miles daily in 120 minutes. A special trip over this route was made several years ago in exactly 84 minutes.

The longest non-stop run is by the Cornish Express, London to Exeter, 174 miles in 180 minutes. The cheapest fare is the round-trip excursion rate between London and Skegness, which offers a 252 mile trip for only about 1-4 cent per mile.

The Cockshutt Plow and the Verity Plow Co. will roll on Friday night and both managers promise some big surprises. This game should be a number as both teams are very evenly matched and are close rivals.

Remarks heard in the alleys last night.

Manager Hope, "Keystones."—We now have the key to the situation. "Cobby," "Colts,"—Wait till your "Foulds" grows to a "Colt" and then? "Cam Thorburn," Bankers.—We will make some of these teams cash in before long.

The tit-bit of the season will be next Monday night when the Kolts and the Keystones clash.

Patchoie, L. I. has a woman deputy sheriff.
