THE BLESSING OF A HEALTHY BODY

Has Not Had An Hour's Sickness Since Taking "FRUIT-A-TIVES".

MR. MARRIOTT
73 Leas Ave., Ottawa, Ont.,
August 9th, 1915.

"I think it my duty to tell you what
"Fruit-a-tives" has done for me.
Three years ago, I began to feel run-
down and tired, and suffered very much
from Liver and Kidney Trouble.
Having read of "Fruit-a-tives", I
thought I would try them. The result
was surprising. During the 34 years
past, I have taken them regularly and
would not change for anything. I have
not had an hour's sickness since I com-
menced using "Fruit-a-tives", and I
know now that I haven't known for
a good many years—that is, the blessing
of a healthy body and clear thinking
brain".

WALTER J. MARRIOTT.

NEWS OF NORFOLK

Simcoe Oddfellows Have
Lost Three Members
By Death

OTHER SIMCOE NEWS
St. James' Sunday School
Anniversary

(From Our Own Correspondent)
Simcoe, April 2.—In the death of
Capt. H. H. Paulin, Geo. G. Bam-
forth and A. A. Culver, the local
Oddfellows lodge has lost three
members who measured far above
the average in the matter of per-
sonal attention to duties and con-
tribution for the general weal of the
order. And during their lives all of
them were recognized in this re-
gard. The Bamforth funeral, held on
Saturday evening at the fact that
outside the lodge the Bamforth fam-
ily carries the esteem of a wide cir-
cle. Employees of Dominion Can-
ners here, with which firm Mr.
Bamforth senior is employed, paid
tribute as well to the bereaved fam-
ily as to the departed son, in floral
offerings for the bier and attendance
at the last sad ceremonies of Satur-
day last.

To-day, the men of three links
will bear all that is mortal of the
late A. A. Culver to earth in the last
resting place, and will then await the
arrival of the casket containing the
body of Capt. Paulin, whose sad
death in England recently brought
on the bloom which has settled so
heavily over the Simcoe lodge.

Senator McCall was down from
Ottawa for the week-end.
Mrs. Ethel Richardson, of Ter-
race Hill, Port Dover, left recently
for Patterson, N.J., to train as a
nurse.

Township Clerk R. W. McCall of
Victoria, was in town on Saturday.
Pte. G. V. Bridgewater of the
164th, is home from Hamilton for
the week-end on last leave before
going overseas.

Mrs. Jno. A. Grant and child of
London are visiting Mrs. Grant's
parents, Mr. and Mrs. John Sutton,
Kent St.

James Culver of Detroit, and Chas
Culver of Cherry Valley, Mich., are
in town attending the funeral of the
late A. A. Culver.

Mrs. Wm. Walmsey of Walsh,
died yesterday noon after a brief ill-
ness.

Prof. Marshall was back from
Kingston in time to preside and con-
duct the choir at St. James'. His
mother, whom he was called home to
see, is decidedly unwell, and does
not show signs of ultimate recovery.

Miss Rhea Clark was in Toronto
for the week-end.

Mrs. C. H. McKernie, of Ren-
frew is visiting her sister, Mrs. Os-
car Clark, at 115 Colborne Street
north.

St. James' S. S. 77th Anniversary
St. James' Methodist church had
bad weather for the 77th anniversary
of the S. S. Mr. H. S. Mc-
Pherson, the indefatigable superin-
tendent, has a good organization
with a staff of 28 officers and teach-
ers, 253 pupils and 51 on the honor
and cradle roll department, totalling
430. St. James' has a good school.
Over 7000 verses were memorized
during the year. The collections
amounted to \$570, of which \$174
was applied to missions. Many
pupils of the S. S. joined the
church during the year.

Bird Houses
There is a laudable movement on
foot to interest the youth of the
town in the making of bird houses.
Odds and Ends About Town.
Violent thunderstorms Saturday
afternoon and night and intermit-
tent torrents of rain throughout the
day yesterday. Just such weather
as the boys in France had during the
big push. Think of it!
Still a few more of an exception-
ally large succession of unusually ex-
tensive auction sales of farm stock
and property.

Thirty-two automobile licenses
taken out on Saturday.
Thirty days to pay the dog tax.
Town Council to-night.
Production Council to-morrow
night.

We must again remind our Sim-
coe subscribers that a convenient
place for the paper at the front door
is essential to good services. When
the regular boy is off, through ill-
ness, a substitute can give no other
service. House numbers should be
plainly visible from the street.

The charge against Pte. Robbins for
drunkenness in a public place was
continued to-day and concluded.
Robbins went into the box on his
own behalf and gave evidence dis-
tinctly in contradiction to that of
her witnesses from the neighbor-
hood and agreeing with that of
members of his family. Messrs H. P.
Innes, K.C. and W. E. Kelly, K.C.
argued the case and Magistrate Gun-
ton dismissed it. That was all for
the present. Inspector Edmunds in-
forms us that he has about decided
to submit the evidence to headquar-
ters as he considers the case was
proved by disinterested witnesses.

**IMPURE BLOOD
IN THE SPRING**
The Passing of Winter
Leaves People Weak and
Depressed

As winter passes away it leaves
many people feeling weak, depressed
and easily tired. The body lacks
that vital force and energy which
pure blood alone can give.
Dr. Williams' Pink Pills for Pale
People are an all-year-round blood
builder and nerve tonic, but they are
especially useful in the spring. Every
dose helps to make new, rich, red
blood. Returning strength com-
mences with their use and the vigor
and cheerfulness of good health
quickly follows.

There is just one cure for lack of
blood and that is more blood. Food
is the material from which blood is
made, but Dr. Williams' Pink Pills
double the value of the food we eat.
They give strength, tone up the
stomach and weak digestion, clear
the complexion of pimples, eruptions
and boils, and drive out rheumatic
poisons.
If you are pale and sallow, if you
feel continually tired out, breathless
after slight exertion, if you have
headaches or backaches, if you are
irritable and nervous, if your joints
ache, if your appetite fails and food
does not nourish nor sleep refresh
you, Dr. Williams' Pink Pills will
make you well and strong. To build
up the blood is the special purpose
of Dr. Williams' Pink Pills, and that
is why they are the best spring
medicine. If you feel the need of a
tonic at this season give Dr. Wil-
liams' Pink Pills a fair trial and you
will rejoice in new health, new
strength and new energy. Do not let
the trying weather of summer find
you weak and ailing. Build yourself
up now with Dr. Williams' Pink
Pills—the pills that strengthen.

Ask for Dr. Williams' Pink Pills
for Pale People and do not be per-
suaded to take something else. If
your dealer does not keep these Pills
they will be sent by mail, post paid,
at 50 cents a box or six boxes for
\$2.50 by writing The Dr. Williams'
Medicine Co., Brockville, Ont.
