SAVING THE SURPLUS and Necessary.
The shortage of labour and the scarcity and high prices of tin cans has very materially reduced the output and increased the cost of canned vegetables; so much so, in fact, as to make some lines almost prohibited to the average family.

There is little reason, however, for any Canadian family not providing a sufficient supply for next winter. Home canning of vegetables is a simple matter; when put up in ordinary glass jars, securely sealed, they are equal if not superior to the factory brand, the cost is much lower.

Peas, string beans, sweet corn, pumpkins, beets, tomatoes and all vegetables which will not keep without cooking, may be canned.

After cleaning and preparing the vegetables to be preserved, they are enclosed in a cheesecloth bag parboiled for five minutes. They are then dipped in cold water, packed in glass jars, boiling water poured over them to fill up all crevices, and the lids loosely adjusted. The jars are then placed in an ordinary boiler filled with water, with plates or dish covers to prevent the jars touching the bottom of the boiler, and are allowed to boil steadily for 3 1/2 hours. When lifted from the boiler the lids must be screwed down tight, and the jars allowed to gradually cool, care being taken that they are not exposed to drafts, as a sudden cooling may crack the glass.

Vegetables thus canned will keep and be a welcome addition to the table in lieu of the high-priced canned goods, and the surplus supply of vegetables, which otherwise might be wasted, will be conserved.

MILITARY TRAINING FOR GERMAN STUDENTS
Berlin, June 15—Via London—Of 78,000 students registered during winter in the German universities and technical schools, 65,000 are under arms, according to a statement by the Tageblatt.

Anti-British mobs are still holding periodical meetings in different places in Quebec; and Eberhard, demagogues, are trying to influence the people against doing their share in the war.

KAISER'S SICKENING MESSAGE TO CONSTANTINE
Bern, June 15 via London—A telegram from Berlin says Emperor William has addressed the following message to one of the Greek diplomatic representatives aboard for transmission to former King Constantine:

"I have heard, with wrath, of the infamous outrage committed by our common enemies upon you and upon your dynasty.

"I assure you that your deprivation can be only temporary. The mailed fist in Germany, with further aid from Almighty God, will restore you to your throne, of which no man by right can rob you. The armies of Germany and Germany's allies will wreak vengeance on those who have dared so insolently to lay criminal hands on you. We hope to welcome you in Germany at the earliest opportunity. A thousand cordial greetings from,

"YOUR WILLIAM."

GENERAL BYNG'S REPLY TO GOVERNOR-GENERAL
Ottawa, June 15—General Byng, who has just retired from the Canadian command in France, cables as follows in reply to the governor-general's message:

"Your kind cablegram just received is most sincerely appreciated. It was with the deepest feelings of regret that I severed my connection with that splendid corps, whose record during the past year fills with pride and enthusiasm."

A LOST OPPORTUNITY.
What a splendid thing it would be for Canada if on the fiftieth anniversary of coalition to achieve Confederation there could have been coalition to perpetuate Confederation. By trucking to Quebec Nationalist sentiment and declining to unite with the Prime Minister, Sir Wilfrid Laurier lost an opportunity of doing the Empire a service which would have ranked him in history with George Brown. Instead, it may have been his ignoble lot to have struck a deadly blow at Confederation on the threshold of its fiftieth anniversary.

SUGAR DECLINES
There was a decline of 15 cents a hundred weight on granulated sugar this morning, making the wholesale price now \$8.40 per cwt. wholesale.—St. John Telegraph.
