AUTO-INTOXICATION OR SELF-POISONING

"FRUIT-A-LIVES" Absolutely
 Prevents This Dangerous Condition.

The chief cause of poor health is our neglect of the bowels. Waste matter, instead of passing from the lower intestine regularly every day, is allowed to remain there, generating poisons which are absorbed by the blood.

In other words, a person who is habitually constipated, is poisoning himself. We know now that Auto-intoxication, due to non-action of the bowels, is directly responsible for serious Kidney and Bladder Troubles; that it upsets the Stomach, causes Indigestion, Loss of Appetite and Sleeplessness; that chronic Rheumatism, Gout, Pain In The Back, are relieved as soon as the bowels become regular; and that Pimples, Rashes, Eczema and other Skin Affections disappear when "Fruit-a-lives" are taken to correct Constipation.

"Fruit-a-lives" will protect you against Auto-intoxication because this wonderful fruit medicine acts directly on all the eliminating organs. 50c. a box, 6 for \$2.50, trial size 25c. At all dealers or sent on receipt of price by Fruit-a-lives Limited, Ottawa.

KINGSFORT

Sunday last was an ideal day at the beach and a large number of our soldier boys availed themselves of the special train provided by the D. A. R. They heartily enjoyed the cool breezes and bathing, Kingsfort for a while looked like a military town. We would suggest to our general manager that the Military Band be invited to accompany the boys on the next trip to our little burg.

On Monday evening an entertainment was given here in the church in honor of our returned soldiers. An address by the pastor Rev. Mr. Wright was followed by a splendid program of music and readings, after which the following presentations were made to Corporal Borden a signet ring and wrist watches to Pts. Lee Dickie and Ogilvie. These gallant young heroes cannot help feeling their services for King and Country have been appreciated by their home friends.

This is the second appearance in Canning of the Misses MacDonald, and they were listened to with even greater pleasure than in their recital of last summer. Miss Miller's playing evoked well merited applause, and Canning has good reason to be proud of her talented violinist. Part of the proceeds of the recital were for the benefit of the Red Cross.

Baron Von Hussarck, Austrian Premier in presenting his Cabinet to the Upper House of the Austrian Parliament according to Vienna advices. He added according to the despatch, that so far as the Central Powers are concerned the way is a defensive one.

"So long as our opponents take the standpoint of one-sided dictation," he continued, "there is nothing for us to do but to continue the war and carry it on to vigorously that it will be shortened.

"In war, so in peace, Austria will not be alone," he added. "Our alliance with Germany is a real affair of the heart and will deepen under the influence of peace. There is nothing menacing in this alliance, the warlike contents of which were forced upon the Central Powers by their opponents and will cease as soon as they extend the hand of peace."
