Careful mothers know that Cascarets in the home mean less sickness, less trouble, less worry, less cost. When one of the kiddies has a white tongue, feverish breath, sour stomach or a cold, a Cascaret quickly and harmlessly "works" the poisons from the liver and bowels and all is well again-only 10 cents a box.

Cascarets "work" the nasty bile, sour fermentations and constipation poison from the child's tender stomach, liver and bowels without pain or griping. Cascarets never disappoint the worried mother.
