calm.

Aft. Randolph is able to drive out. Rasty feels cheered as he is still on the gain. He says that Dr. Harte need not think that because he got a good weld on one leg he will break the other for the sake of getting him to set it.

ELBE MILLS.

Monday, March 27.—Mrs. Haskins is recovering from her late illness. There is considerable dissatisfaction.

in this neighborhood regarding the changing of the post office.

Mr. Tripp has rented Mr. Leith's place and intends keeping a general grocery and as our east end farmer has corralled his pigs the discontented people (excepting our blacksmith) have become reconciled to remain with us a while longer.

It is reported that our big woman and her husband in coming home from

of Canada, on the recommendation of the Mini-ter of Agriculture, has agreed to place in the estimates a sum to provide for the purchase and distri-bution of two-rowed barley for seed, to be supplied to the farmers of the Dominion at cost. In futherance of social party at the residence of Mr. Alexander Thomas, of Caintown, on last Thursday evening, for the purpose of taking a farewell of said gentleman and family, before leaving for the North-west. Some 70 or 80 friends and relatives were in attendance to pay their last respects.

Maple syrup is very thin this spring.

Two men started for Brockville market not long since and, among other commodities for market had ten gallons of Mclassee. When near Lyn, the syrup was examined and pronounced too thick and the owner was advised to reduce the saccharine matter by adding one gallon of aqueous liquid to the ten, after which the passenger gave the above information.

Mr Trueman Mallory has moved to the McIntosh Mills, at which place he will run the blacksmith shop in the interest of Mr. Fortune.

Mr. S. Hogaboom has a hard time in conveying Her Majesty's mail between Athens and Mallorytown.

Mr. Thomas Mallory sold by auction on Friday last, the goods and chattels of Mr. Whiteman, of Mallorytown, under a chattel mortgage.

McINTOSH MILLS.

from 54 to 56 the per busner; samples of which have been submitted to ex-perts in England, who have pronoun-ced them to be good, marketable spe-cimens of malting barley, which would command at present from 38s.
