JEANNETTE'S CREEK.

Only four boxes of fish were shipped on Monday. The high wind on Monday prevented the fishermen from lifting their lake nets.

Mrs. Farquharson, of Chatham, and Mrs. Harris, of Aberdeen, Scotland, were the guests of Mr. and Mrs. Forbes on Sunday.

Miss Jennie Atkinson returned to Detroit last Thursday.

Miss Jennie Forbes, of Detroit, is visiting at her home here.

Several from here attended the Conservative meeting in Chatham on Saturday.

The infant child of Mr. W. Racher is very low with pneumonia. There is little hopes for its recovery. Two

other children are suffering with whooping cough. Mr. and Mrs. Racher have the entire sympathy of their many friends and neighbors.

CHARING CROSS.

Mrs. Salton gave an At Home to the members of the congregation on Monday evening last. A very enjoyable evening was spent.

Confirmation service was held in St. George church Monday afternoon, when five new members were taken into the church.

Mr. George Peat has returned to Charing Cross, after spending a few days in London.

Mr. Frank Hunter and Mrs. Avery Hunter spent Sunday with relatives in Charing Cross.

Attainments of any sort do not come without something in the nature of toil.

BOMB IN THE BASILICA

Explodes In Mighty St
Peters Cathedral
Rome

BOMB THROWER ESCAPES

Rome, Nov. 19.—A bomb was exploded in St. Peter's yesterday. The edifice was crowded and an indescribable scene of confusion followed. There were no fatalities.

Yesterday was the anniversary of the dedication of the basilica to St. Peter, and it was beautifully decorated for the occasion. Holy relics were exposed, and a large number of the faithful attended the services.

The last mass had just been concluded when the explosion occurred, and only one canon, who had not quite finished, remained at the altar of St. Petronilla.

Tremendous Roar.
As the canon turned to bless the communicants, there was a tremendous roar, which echoed throughout the lofty arches of the immense dome like a thunder clap. At the same time a dense smoke spread throughout this portion of the basilica and a strong odor of gunpowder filled the air. Confusion and panic at once seized the people.

Chairs were overturned, making the confusion more serious. Men and women fled, stumbling in all directions, and the screams of children and cries of anguish were heard on all sides, and for a few moments it seemed as if nothing could obviate a grave disaster.

The vast size of the church, however, gave room for the crowd to scatter, and at the end of a few moments the people were surging toward the doors, excited and nervous, but orderly.

No One Hurt.
As soon as the smoke cleared away a hasty examination showed that nobody had been hurt in the crush, and, furthermore, that no one had been wounded by the explosion. Calm was gradually restored and people returned to view the extent of the damage.

It was discovered that the bomb had been placed under a scaffolding which had been erected to facilitate repairs to the roof exactly over the celebrated tomb of Clement XIII., by Canova.

Pope Hears Report.
The Pope was engaged in his regular noon hours devotions when the bomb went off. He heard a muffled sound, which surprised, but did not alarm him. Monsignor Misciatielli, sub prefect of the apostolic palaces, and Monsignor Basilica, major dome of the Vatican, at once hurriedly entered the pontiff's chamber. They were so pale that the Pope immediately asked: "What has happened?"

"Do not be alarmed, Holy Father," was the answer, "a bomb has exploded in the basilica, but fortunately there are no deaths to deplore, and no one has been wounded."

The pontiff asked anxiously if the church had been injured. On being reassured he fell on his knees, saying he must implore mercy for the misguided perpetrator of the deed.

A three days' service of praise will be celebrated in all the churches in expiation of this offence to religion.

Third Outrage.
This bomb explosion makes the third anarchist outrage in Italy in four days, the other two being the murder of Prof. Rossi in Naples Saturday, and the explosion of a bomb in front of the cafe Arago in this city on Nov. 14.

NO CAUSE FOR ALARM.

Standard Oil Co. Issues Reassuring Statement to Stockholders.
New York, Nov. 19.—Directors of the Standard Oil Co. decided to issue to stockholders yesterday, along with the dividend notices, a brief statement setting forth that the management firmly believes it has acted honestly and legally and reassuring stockholders that, in the opinion of the board, there is no cause for alarm.

The whole matter having now been taken before a legal tribunal, the Standard Oil Co. has no reply at this time to make to the charges, nor is it intended to do anything that could be construed as discourteous to the administration.

The company's full answer, it is said, will be made at the proper time and place.

UNIONIST ELECTED.

North Armagh Turns Down Independent Orangemen.
Dublin, Nov. 19.—W. Moore, Unionist, formerly member of Parliament for North Antrim, is elected to represent North Armagh by a majority of 2,756 over Mr. Crawford, Independent Orangeman. Mr. Moore succeeds the late Col. Edward James Sanderson.

Floods Receding.

Portland, Ore., Nov. 19.—Flood water is receding in the inundated region of western Washington. Seattle and Tacoma can interchange traffic only by steamer. A despatch from Seattle estimates the financial loss in Kings County at \$1,000,000 and the number of persons drowned in the county at five.

Massacred by Brigands.

Athens, Nov. 19.—It is reported here that a number of men, women and children have been massacred by brigands at Kosiassco and Ramelli, and that a band killed fifteen Greeks in the neighborhood of Nicausa, and carried their mutilated bodies into that town.

Bavarian Floated.

Quebec, Nov. 19.—A despatch from Grosse Ile last evening reports that the Allan steamer Bavarian, which has been on Wye rock for about a year, was floated off about 7 o'clock last night.

Eminent Doctors Praise its Ingredients.

We refer to that boon to weak, nervous, suffering women known as Dr. Pierce's Favorite Prescription.

Dr. John Fyfe one of the Editorial Staff of THE LANCET writes: "I have seen many of the bottles of the 'Favorite Prescription' and I am convinced that it is one of the chief ingredients of the 'Favorite Prescription'."

"A remedy which invariably acts as a true invigorator... makes for normal activity of the entire reproductive system." "It contains no harmful drugs, and it is a medicine which more fully answers the above purposes than any other drug with which I am acquainted." "In the treatment of diseases peculiar to women it is seldom that a case is seen which does not present some indication for this remedial agent." Dr. Fyfe further says: "The following are among the leading indications for the 'Favorite Prescription': irregular menstruation, pain or aching in the back, with leucorrhoea; organic weakness, mental depression and irritability, associated with chronic diseases of the reproductive organs of women, constant sensation of heat in the region of the kidneys; menorrhagia (bleeding), due to a weak condition of the reproductive system; amenorrhoea (suppressed or absent monthly periods), arising from or accompanying abnormal condition of the digestive organs and anemic (thin blood) habit; dragging sensations in the lower part of the abdomen."

If more or less of the above symptoms are present, no invalid woman can do better than take Dr. Pierce's Favorite Prescription, one of the leading ingredients of which is Unicorn root, or Helonia, and general tonic properties of which it most faithfully represents.

Of Golden Seal root, another prominent ingredient of "Favorite Prescription," Prof. Finley, M. D., of the University of Chicago, writes: "It is an important remedy in disorders of the womb. In all catarrhal conditions and general debility it is useful."

Prof. John M. Scudder, M. D., late of Cincinnati, says of Golden Seal root: "In relation to its general effects on the system there is no medicine in use about which there is such general unanimity of opinion. It is especially regarded as the tonic useful in all debilitated states."

Prof. Bartholow, M. D., of Jefferson Medical College, says of Golden Seal root: "It is a powerful tonic, and it cures hemorrhages (bleeding) and congestive dysmenorrhoea (painful menstruation)."

Dr. Pierce's Favorite Prescription faithfully represents all the above named ingredients and cures the diseases for which they are recommended.

Train Princes For Sea.

London, Nov. 19.—It has been decided that at Easter next the two eldest sons of the Prince of Wales will proceed to the Royal Navy College at Osborne as naval cadets. Prince Edward will enter his 14th year next June, and thus he will be one or two years of the same age as was the Prince of Wales, when, in company with the late Prince Albert Victor, he proceeded to the old cadet training ship at Dartmouth.

Outbreak Confined.

Bowmanville, Nov. 19.—The outbreak of sympathetic anthrax in the dairy herd of John and Mark Munday in Darlington is confined to the two farrow cows that died of the disease on Thursday. Dr. E. Young, Dominion veterinary inspector for this district, assisted by Dr. F. H. S. Lawrey, vaccinated 38 head of cattle in the Munday herd Saturday to prevent further progress of the insidious disease.

Cured her Father's Drunkenness by a Simple Remedy.

Saves her father from a drunkard's grave. Free sample of Samaria Tonic Prescription checks his drinking and leads to complete cure.

"It seemed hopeless to keep father from drinking, and we all felt the loss of him. When things were at their worst I attended to him to try Samaria. I received a free sample treatment and that the remedy was the best I could give. I determined to try it, and have been glad every day since I gave him in his tea. The full treatment, which I gave him in his tea, cured him, and I am pleased to say he never drank again. How glad I am that I wrote you and how happy we all are together. Father says that he could never have stopped drinking if it were not for you."

SENATOR VIDAL DEAD.

Was Prominent In Church Work In
Sarnia For Years, and He Was
An Active Prohibitionist.

Sarnia, Nov. 19.—Hon. Alexander Vidal, a member of the Canadian Senate since 1873, died at his home here yesterday afternoon. He had been failing during the past two months. The funeral will take place on Wednesday.

Hon. Alexander Vidal was born in Berkshire, England, Aug. 4, 1819, being the eldest surviving son of Captain B. E. Vidal, R.N. The Vidal family came originally from Spain, removing to England in the seventeenth century. He was educated at the Royal Mathematical School, Christ's Hospital, London, accompanied his father to Canada in 1834, settling in Sarnia, Ont., the following year. Married, December, 1847, Catherine, eldest daughter of Captain W. E. Wright, R.N., of Moore, Lambton County. He practiced the profession of civil engineering from 1843 to 1862, and was manager of the Sarnia branch of the Bank of Upper Canada from 1862 till the failure of that institution in 1866. He held the same position in the service of the Bank of Montreal from that time until 1875, when he resigned.

His Political Career.

At the first general election following Confederation in 1867, he was an unsuccessful candidate against the Hon. Alex. Mackenzie for the House of Commons; again in 1873 he was defeated. He represented the St. Clair division in the legislative council from September, 1863, until the union. He became a Senator at the call of Sir John A. Macdonald, Jan. 15, 1873. He was a man who took a general interest in the affairs of his community. He had been lieutenant-colonel in the Canadian militia, county treasurer of Lambton, president of the M.C.A. at Sarnia in 1878. The temperance cause claimed a great deal of his energies in late years, and he was a central figure in the Dominion alliance for the total suppression of the liquor traffic, of which organization he was a past president. Senator Vidal was a member of the Church of England till 1843, when he joined the Presbyterian Church, and has represented the Sarnia Church in the general assembly.

He is survived by four sons and two daughters.

TOO GOOD TO LIVE.

Moscow Police Prefect Too Humane For Good of Cause.

Moscow, Nov. 19.—The social revolutionists Saturday issued a proclamation, saying that they regretted the failure of the recent attempt of the General Rhenbott, prefect of police of Moscow, and announcing that their efforts will be persisted in until successful.

The police assert that many letters and documents found during searches of houses show clearly that the chief reason for the attempt to assassinate General Rhenbott was his popularity with the Moscow workmen, due to his just and humane attitude on the labor question, which was considered by the revolutionists as a great hindrance to the proletarian movement.

General Shot Dead.

Poltava, Russia, Nov. 19.—General Polkownikoff, commander of the garrison here, was shot dead Saturday night, and a soldier who was passing at the time, also was killed by unknown persons.

\$500 FINE OR JAIL.

What Violation of Bait Act Costs Two Fishermen.

St. John's, Nfld., Nov. 19.—Two colonial fishermen, Du Bois and Crane, who shipped aboard the American herring vessel Ralph Hall Nov. 8 outside the three-mile limit, were tried Friday before a magistrate at Bay Islands.

The men were charged with having on Nov. 12, in violation of the Bait Act, put herring on board the Ralph Hall. They were convicted and fined \$500 each, with an alternative of serving three months in prison. Counsel for Du Bois and Crane gave bond for the men and an appeal will be taken to the Supreme Court, before which the case will be argued next month.

The Colonial Government expects this prosecution will result in stopping Newfoundlanders shipping on board American vessels and will therefore nullify the modus vivendi.

POTASH TABLETS EXPLODE.

Peculiar Accident to Son of Prominent

Frederickton, N.B., Nov. 19.—A peculiar accident happened in the home of W. T. N. Fenety, a prominent lawyer, when his little son was rendered unconscious, had his face and arms frightfully cut, and received severe bruises over the body, by an explosion of potash lozenges, and some pieces of sulphur.

The lad found them in a medicine chest, placed them in an earthen dish and started to pound them to powder with a hammer. Several lozenges were in the dish, and the explosion was terrific.

Doctors are working to save the boy's eyesight, but the lad is in a bad condition.

Jap Sailors in California.

San Francisco, Cal., Nov. 19.—Collector of the Port Stratton has been notified to prepare for the reception of a Japanese squadron, which will come to this port in the spring. The visit will assume much international importance, and every courtesy is to be offered the officers and squadron. It will come direct to San Francisco, arriving in either March or April, after making a brief stop at Honolulu.

To Settle Coal Strike.

Ottawa, Nov. 19.—Mackenzie King, deputy Minister of Labor, left Saturday night for Lethbridge, to endeavor to settle the coal strike there. There is a great scarcity of coal and application has been made to the Dominion Government to give a rebate on the duty on coal brought in from the United States.

LEAN'S WIN A MINISTER'S PRAISE

Lean's win praise from all quarters because of their sterling merit and the wonderful cures. Purely vegetable, free from all trace of alcohol, made in the finest laboratories in the world, suitable to the most delicate constitution, mild in operation yet searching out and removing the causes of disease—that is why your friends speak so highly of them. Ask any one who has tried them. Better still, write for a free sample box and prove them yourself. Conditions below.

A WIFE'S EXPERIENCE.

Mrs. A. M. Jeff of Franklin, says:—"Liver and stomach disorders reduced me to a terrible plight. I had dizzy fits, and feelings of fainting weakness. Food caused pain so acute that I actually pined myself to prevent it. My tongue was coated, my head ached, there was always a bad taste in my mouth. I was constipated and felt dull, weak and miserable. My condition became so serious that my husband feared my days were numbered. Then Lean's were introduced, and from the first they worked like a charm. They corrected the liver and stomach—the root causes of my illness. The pain after food ceased, food was digested, the acute constipation was removed and the bowels became natural in their operation. Then the headaches, bad taste in the mouth and the dizzy spells left me and in a few weeks Lean's restored me to health."

So wonderful was their effect on me that our minister said: "It is your duty to write to the company and tell them what great benefit you have derived."

Lean's cures—Headache, biliousness, indigestion, female ailments, and irregularities, piles, rheumatism, blood impurities, eruptions, and they tone up the whole system. All druggists sell 50 cents a box, or from the Lean Co., Toronto, upon receipt of price 4 boxes for \$2.00.
