MUSICAL

A DELIGHTFUL RECITAL.

A very creditable recital was given last evening by W. R. O. Dolman, the recently appointed organist of Christ Church. Notwithstanding the lateness of the season, there was a very good attendance and no one was disappointed. Every number on the program was well rendered and reflected much credit upon the performers.

The evening was opened with a magnificent organ selection by Mr. Dolman. He gave four numbers during the evening and every one of them was given in a masterly style. Mr. Dolman is an organist of more than ordinary ability and Christ Church was indeed fortunate in securing his services. He has had extensive experience in organ playing, having for a number of years been organist to Staphill Parish, Burton-on-Trent, England. He created a very favorable impression among the musical critics of the city last evening and gained for himself a high place among the musicians of the city.

He was assisted in his recital by Miss Florence Stephenson, contralto; Miss Gerie Somerville, soprano; Mrs. Milton Bogart, contralto; C. O. Wregg, basso, all of whom gave solos, and a quartette composed of Mrs. Cooper, Mrs. Milton Bogart, J. W. Wilson and R. W. Angus.

Miss Stephenson's solo, "The Good Shepherd," was one of the favorite numbers with the audience. Miss Stephenson never sang better, and her solo was exceptionally well rendered. She has a very sweet contralto voice with an extensive range and volumes of power, and her excellent training enables her to use it with much effect and to the very best advantage. A flute obligato to her solo was played by J. W. Wilson.

Miss Somerville, of course, sang well, as she always does. Miss Somerville is deservedly popular with Chatham audiences, as she is possessed with a marvellous soprano voice, well developed and trained. There are few singers to-day who sing better than Miss Somerville, and those who do are only found in the largest cities. She has indeed a very promising future before her, and Chatham is proud of the fact that she is a Maple City girl.

Mrs. Milton Bogart sang "Happy Days," with a flute obligato by J. W. Wilson. No better name could be given to Mrs. Bogart than that of "Chatham's sweet singer," which has so often been appropriated to her in discussing her repeated triumphs in music. There is something in her voice which always appeals to her audience, who are completely won after the utterance of the first tone. She is always a general favorite wherever she appears, and last night was no exception.

Mr. Wregg, basso, gave two solos. He has a magnificent basso voice, rich and full, and he sang remarkably well.

J. W. Wilson gave a flute solo, "The Holy City." His work on the flute was very creditable.

The evening closed with the quartette "Good Night Gentle Folks," and then "God Save the King."

TILBURY

June 15.—Sam Warnock left yesterday on a trip to the Northwest.

Mrs. Jas. Smith, of Stewart, is visiting her sister, Mrs. James Fowler.

Bethel, the eight year old daughter of Robert Geddy, of Windfall, died Monday morning as the result of a kick from a horse, received on Sunday evening. Dr. Sharp, of Tilbury, was summoned and also medical aid from Wheatley, but the shoe of the horse had penetrated the brain, and death was inevitable.

Mr. Sawyer, of Detroit, has arrived to take charge of the dry goods department in J. S. Richardson's store, to succeed Henry Richardson, who left for Detroit on Sunday.

John Anderson and family are moving this week into the house on Fort St., lately occupied by Henry Richardson.

KICKED BY HORSE

Glencoe, Ont., June 13.—While attempting to hitch a team of horses to a post on the street here, Mrs. R. C. Twiss met with a very serious accident. The horses, frightened by a passing train, broke away from her, and in attempting to regain the lost bridle reins, she was kicked in the back of the head by one of the frightened animals, and in a moment lay unconscious on the road. She was picked up and carried into the American House, where her wounds were dressed by three doctors. Mrs. Twiss regained consciousness after some little time, and although seriously hurt, it is now thought that she will recover.

"Our delusions are the sweetest things in life," said the gentle optimist.

"How about the man who thinks he can sing?" asked the pessimist.

DYSPEPSIA CURED.

A Severe Sufferer Tells How He Overcame the Trouble.

"Not only do I not hesitate to declare the benefit I have received from Dr. Williams' Pink Pills, but I feel it my duty to do so." These are the words which Mr. Edward Lavoie, of Jerome, Que., lately addressed to the editor of the Evening Star, when relating the story of his cure. Mr. Lavoie is well known in St. Jerome, and what he says carries weight among those who know him. For a considerable time he was a great sufferer from dyspepsia, which caused severe headaches, pain in the stomach and sometimes nausea. Sometimes he felt as though he would suffocate, he would become dizzy and experienced ringing noises in the ears. His appetite became poor, and his general health so bad that he found it almost impossible to work, and when the headaches attacked him he had to quit work. For six months, he says, he suffered both physically and mentally more than can be imagined. During this time he took medicine from several doctors, but found no help. Then one day he read of the cure of a similar case through the use of Dr. Williams' Pink Pills, and decided to try them. He used the pills for a couple of months, and they have made him feel like a new person. He is no longer troubled with any of the old symptoms, and says he can now go about his work as though he never had dyspepsia.

The digestive organs—like all the other organs of the body—get their strength and nourishment from the blood. Dr. Williams' Pink Pills actually make new blood. This new blood strengthens the stomach, stimulates the liver, regulates the bowels and sets the whole digestive system in a healthy, vigorous state. Good blood is the true secret of good health. That is why Dr. Williams' Pink Pills always bring good health to those who use them. You can get these pills from your medicine dealer or by mail at 50 cents a box by six boxes for \$2.50 by writing The Dr. Williams Medicine Co., Brockville, Ont.

To be perfectly just is an attribute of the divine nature; to be so to the utmost of our abilities is the glory of man.

SACHEL OF THE SATELLITE

It looks very much like June was here.

This is good weather for strawberries and for corn.

I wonder who the farmer was that hurt the Banner editor's feelings.

Judging merely from the weather, I should say that June is here.

Wonder if Laurie meant to imply that he considered all Scotchmen as "foreigners."

I should think that the fact that Lord Dundonald was Scotch would have been sufficient warranty that he was the goods.

I hope Lord Dundonald won't consider Canada a Foreign strand just because some members of parliament talk faster than they think.

What I don't know about the Kent Farmer is a huge book from the pen of the Editor of the Banner with an appendix by the gent that helped him write it.

And each evening the busy little mosquito doth make life interesting for the venturesome young people who dare to saunter forth into the open air these nights.

Chas. Hick's sent up word by wireless telegraphy from the press room at a late hour last night to the effect that the Satellite had better purchase an automobile for running to Ercau instead of wheeling out. He said the automobile way was the easier. This will be given careful attention.

"These lovely June evenings inspire a love for sonnets," remarked the college graduate girl as she reclined lazily in the hammock on the front piazza. "I think they inspire a taste for 'compleats,'" replied the merry maiden as she watched the modern young man and his girl sliding off for an evening stroll.

AN INSULT TO THE POTATOES.
The Hamilton Spectator's Scotch blood will now boil in allusions to Lord Dundonald's persecutor as Hon. Small Potatoes Fisher.—Toronto Telegram.

OLDFIELD.

James Langstaff, of Oldfield, says it pays to raise good horses. On Monday he sold to John Gilbert & Co., coal dealers, of Chatham, a team of roan mares for \$325.

The blind beggar generally has an eye for business.

Do not think too much, if at all, of to-morrow.

Teachers of cookery must have the best. Their work demands perfection, especially in baking. They cannot take chances with a baking powder that will raise today and fail tomorrow. That is why they use Cleveland's in their work. They know that it is pure and sure.

Housewives everywhere will recognize the value of such commendation.
