BUSINESS HIT BY FARMER'S PROPOSAL

Grand Falls Meeting Calls on Government to Take Real Estate as Security for Loan Which Banks, Mortgage Companies Refused To Do

Grand Falls, Oct. 29.—At a largely attended meeting of farmers, business and professional men, which was held here on Friday evening, the financial condition of the agricultural industry of the province was fully discussed by T. W. Caldwell, M. P., William Pirie, produce dealer; Mayor D. J. Collins, J. L. White and G. M. Taylor, general merchant; Rev. Father Albert; George W. Warnock, M. P. P., John Malcolm, farmer; Frederick W. Warnock, farmer and B. A. Rideout, produce dealer.

It was brought out that for the years of 1920 and 1921 the hay crop of the province was very light and while potatoes for those two years gave a fair yield, the price received was less than half the actual cost of production, while the present year the yield of potatoes is less than half an average crop with the price comparatively low in the two previous years. While hay, this year, is a good crop the price is less than half the cost of production with practically no demand.

Due to these facts and to the fact that the mortgage and loan companies, and also the banks have refused to make any loans and take real estate as security, the farmers are unable to raise the necessary money to pay their bills, which in turn makes it impossible for the business men, who are their creditors, to meet their financial obligations.

In a few instances the stock and equipment of the farmers has been seized and sold for debt and in most cases has brought little more than the cost of seizure and sale. Should this method of collecting be resorted to generally, the farmer would be put absolutely out of business and his creditors would receive only a small percentage of their claim, it is said.

The speakers were unanimous in the opinion that the only hope of saving the situation would be to ask the dominion government to finance a loan to the farmers, who could give good security, at a low rate of interest to relieve the present very critical situation, and the following resolution was passed unanimously:

"In view of the present very critical financial condition of the agricultural industry in Canada, and due to the fact that the mortgage and loan companies and also the banks refuse to loan money and take real estate as security, the

farmers are unable to raise sufficient money to pay their bills, which in turn makes it impossible for the business men, who are their creditors to meet their financial obligations.

"Therefore, be it resolved, that we request the federal government to grant loans to farmers and others who can give good security, same to be repaid on amortized plan similar to soldier settlement loans, at a low rate of interest. And that a copy of this resolution be mailed to the Premier of Canada and to the federal minister of agriculture."

IMPROVING THE OPPORTUNITY

United Baptist Parsonage a Veritable Greenhouse Before the Parson Departs

When a merchant decides to remove from town he generally puts on a marked-down sale of his wares. Whether this is the method of Rev. E. A. Triton, who is soon to remove to Carleton, or whether it is simply his popularity as a marrying person, no one knows, but here is recorded his week's business in just one line.

On Oct. 28 William E. Mason of Woodstock and Miss Vera Black of Bloomfield were united in marriage, while on Oct. 31 William Elton Campbell of St. John and Alena May Campbell of Lunenburg were wed. On Wednesday Coy D. Tompkins of Peel and Daisy M. McLean of Mount Pleasant were made man and wife.

E. M. SIPPRELL

The death occurred last Wednesday of Ezekiel M. Sipprell, of his home in St. John. He was 75 years of age and had been ill a long time with a form of paralysis. He was very well known throughout the maritime provinces, having been for many years manager of the Mutual Life Assurance Co., of Canada at St. John. For years he was business manager of the Maritime Baptist.

Mr. Sipprell was a son of the late Ezekiel Sipprell of Somerville and as a young man went to Ontario where he taught school for years before entering into the life insurance business. He first married Mary Logan of St. John, Ontario, who died 25 years ago. By her he had four children: Garfield of Halifax, Roy of St. John, Mrs. Arnold Mac Nee of Raymond, Washington and the late Mrs. Stanley Fisher of St. John. A second wife, who was Annie G. Fritz, survives, with her son Harold.

Mr. Sipprell was a fine type of self-made man and among the Observer readers many will learn of his passing with sorrow.

ROBERTS-CAMPBELL

One of the most attractive autumn weddings took place on Oct. 25, at five o'clock at the home of Mr. and Mrs. W. H. Campbell at Carleton, when their only daughter became the wife of Archie Eugene Roberts.

In the presence of thirty of the near relatives and friends the bride entered the parlor on the groom's arm, attired in a beautiful blue silk crepe de chine and wore a bridal veil with bride's roses. The single ring service was used. Rev. William Churchill was the officiating clergyman.

A bountiful supper was served after which the whole party motored to Carleton to the home of the groom where a reception began at eight. Many beautiful presents were received. Some of the out of town guests were, Mr. and Mrs. O. A. Giddens of Presque Isle, Mr. and Mrs. Wm. Montgomery of Lunenburg, Mrs. Samuel Tompkins and Mr. and Mrs. Geo. Hunter of St. John.
