As the Dominion Drug Company also merged with the other big companies it was not thought necessary to have the two branches in this city so the Winer house will close up their store on King street and move over with the Dominion Drug Co., on MacNab street.

HAIR DRESSING. Coiffeurs Trying to Bring Old Fashions Into Favor. The art of dressing the hair is passing through a transitional period at present. The profession of coiffure has pulled upon the advocates of frequent change, and the coiffeurs are endeavoring to introduce new fashions that used to be fashionable years ago. They are insisting upon the shape of the head being less disguised by protruding chignons and puffs than it was, and to that end are draping the hair closely round the head.

SWIMMING. This week has been a very busy one with the swimmers, for what with the Hamilton championships last Monday (Civic Holiday), and the Dominion championships to-morrow at the R. H. Y. C., they have been practicing steadily. The club was well represented by the V. Y. C., and were fortunate in securing thirteen prizes out of the eighteen. Mr. E. Hall, one of the old stand-bys of the club, won the fifty-yard championship, and F. Lawrence, another favorite, won the hundred yard championship. They are also expected to make good in the Dominion championships.
