Piles, Fistulas, and Internal Inflammation Piles, Fistulas, and Internal Inhammation.
There disressing and weakening diseases may with eistainty be cured by the sufferers themselves, if they will us. Bolloway's intment, and closely attend to the printed in, structions. It should be well rubbed upon the neighboring parts, when all obnoxious matter will be removed. A poultice of bread and water may sometimes be applied at bed time with advantage; the most scrupulous cleanliness must be abserted. If these when send this processed. If these when send this processed. It have been well as a value oncern, they will render a service that will never be forgoten, as a cure is certain.

Rheumatism, Gout and Neuralgia. Kheumatism, Coult and Avenages.

Nothing has the power of reducing inflammationand subduing pain in these complaints in the same degree as Holloway's cooling Ointment and purifying Pills. When used simultaneously they drive all nflammation and depravities from the system, subdue and remove all enlargement of the joints, and lowe the sinews and muscles lax and uncontracted. A cure may always beeffected, even under the worst circumstance, if the use of these medicines be perseverent particumstance. hruptions, Scald Head, Ringworm, and other Skin Diseases.

other Skin Diseases.

After fomentation with warm water, the utmost relief and specifiest cure can be readily obtained in all complaints affecting the skin and joints, y the simultaneous use of the Office ting the skin and joints, y the simultaneous use of the Office ting the skin and joints, y the simultaneous use of the Office ting the skin diseases indicate the depravity of the blood and deringement of the liver and stomach consequently is many cases, time is required to parify the blood, which will be effected by a judicious use of the Pilis. The general health will readily be improved, although the eruption may be driven out more freely than before, and which should be promoted; perseverance is necessary.

On the appearance of any of these maladies the Offistment should be well rubbed at least three times a day upon the nots and upper part of the chest, so as to penetrate to the nots and upper part of the chest, so as to penetrate to the plands, as as it is forced into meat: this course will at once remove inflammation and ulceration. The woost cases will yield to this treatment by following the printed directions, Scrofula or King's Evil and Swelling of the Clands.
