Osthio 21st February, 1743, when the Gin Act was under discussion in the British House of Peers, the celebrated Lord Custrasting. who, I presume, will scarcely be ranked by any as a "fanatic," or "Blue-law" advocate, delivered his sentiments with a clearness and cogency of reasoning rarely surpassed, if equalled, in the present day. His memorable words on that occasion are well worthy of perusal and preservation:

Sample of the control of the control
