The Committee most respectfully yet earnestly solicit those Gentlemen who are already Members of the Society to do what they can to increase the number of the Subscribers, and thus put the Society in a situation to advance still more than they have yet been able to do the cause of Art in the United Kingdom.

SUBSCRIPTIONS will be received at the OFFICE OF THE SOCIETY, 20, ST. VINCENT PLACE, GLASGOW; by any of the Members of the COMMITTEE OF MANAGEMENT; and by the HONORARY SECRETARIES appointed throughout the Country.

MR. G. T. HASZARD, Honorary Secretary for CHARLOTTETOWN, PRINCE EDWARD ISLAND.

THE COMMITTEE OF THE ART UNION OF GLASGOW have to state to the Members of the Society and to the friends and lovers of Art, that to obviate the complaints of the delivery of the Prints for the year to the members, they have this year determined to issue in place of one large Print which would take above two years to print, Two Prints of a smaller size, but which can be printed in such time, as will enable each Subscriber to receive them during the currency of the year, each being of greater value than the amount of subscription.

These Plates are specimens of the very highest class of Art both in their subjects and in their execution, and may indeed be designated Gems of Art; they have also by adopting two plates for the present year, been able to make such arrangements as enable will them in all future years, to continue the giving the Engravings on payment of subscription, and at the same time secure to the Members works of the highest class.

The delay in issuing the plate for last year, (COMING OF AGE,) was impossible to avoid, so long time being required to print the large quantity, that was wanted, and at the same time keep up the quality of the impressions, the latest of which they are happy to say, will be found to be most excellent in every respect; the Committee were determined that no inferior impressions should be issued, and in this they have been completely successful. For above a year, this plate has been printing night and day, and will still continue to be so, till every member has received his copy.

Having explained as to the delay that has taken place in delivering the prints of "COMING OF AGE," the Committee hope, that the Members will be satisfied with the explanation, and having two such fine Engravings this year, that they will continue their support to the Society, and that this year there will again be a large increase in the list of subscribers.

Having said so much regarding the Engravings they will only shortly draw attention to the Prizes to be distributed among the Members at the annual meeting.

every care will be taken to secure Paintings of high merit, and arrangements are making to have a large number of a first rate work of Art in Chromo-Lithography; they are encouraged to spare no labour in attaining this, by the great popularity of the Fac-simile of Mr. GILBERT's Painting of "SPANISH PEASANTS GOING TO MARKET," which was issued last year, and they have no doubt but they will be able to bring forward a work of Art in this department which will not fail to be as popular as the last, and as high in character as a work of Art.

Arrangements are also making to have fine specimens in BRONZE, PARIAN, &c. As these arrangements are completed, the various Honorary Secretaries and Agents will be duly advised.

In conclusion, the Committee trust that as THE SOCIETY IS NOW HIGHEST ON THE LIST OF SUCH INSTITUTIONS IN THE WORLD, by the exertions of their friends they will still be enabled to keep this position, and the Committee are determined that no effort on their part will be wanting to insure this being attained.

ROBERT A. KIDSTON, Acting Secretary.
