

THE UNION ADVOCATE

TUESDAY, MARCH 25th, 1919

REVISION OF THE TARIFF

The Western Grain-Growers Association and Western newspapers are demanding a sweeping reduction in the Canadian Customs Tariff, while the Manufacturers' Association are showing cause why in the present situation of the country, our system of fiscal policy should not be interfered with.

It seems to be quite certain that changes in our fiscal policy will be made during the present session, but Opposition will not be likely to make any move until the Government policy has been announced.

Some of us who remember the "National Policy" fight between the late Alexander McKenzie, Premier, and Sir John Macdonald, Leader of the Opposition, wonder what kind of a tariff arrangement a Government composed of such protectionists as Premier Borden, Hon. George Foster, etc. Conservatives, and such free traders as Hon. N. W. Rowell, Hon. H. Guthrie and other Liberals, will turn out. One would naturally think that this combination ought to hit the mark about right, and give the country a tariff which will not bear too heavily on the consumer, and at the same time not cripple the manufacturer. If the men who are in the Union Government cannot formulate a just and reasonable tariff which will be acceptable to the majority of the Canadian people, then no Government can.

Two Local Men Face Very Serious Charge

cold. Witness sent for help. Jackson Baisley tried to stop them without success. The brothers and witness had kept her. Miss Mullin was main nurse. Witness and others helped her. Mrs. Donahue was well cared for day and night. The doctors said all we could do was to make her comfortable. She wanted for nothing. Dr. McGrath and Dr. McKenzie had told witness Mrs. Donahue was incurable. Dr. McGrath saw her last fall. Saw Dr. Nicholson at Donahue's house in January 1919, but was not speaking to him. Dr. Nicholson did not see her while at Stewart's, but sent medicine. Donahue was not asked to bring anything for his wife while she was at Stewart's. Mrs. Donahue had no coat on her in the sled while she was in witness' sight. Donahue and Gallah produced a letter which they claimed gave them permission to move her. Handed it to the girl. Didn't remember asking the men to read it. Witness produced letter from Dr. Nicholson, which they didn't listen to. Miss Mullin was not a qualified nurse. Miss Mullin could not take the temperature but she could surely administer the medicine when directions were in black and white on the bottle. Dr. Nicholson had not seen her on that date but word had been sent him how she was, and he had sent medicine and the certificate. Mrs. Donahue was staying with witness of her own will. Sad no feeling against Donahue only for the way he had used her sister. Witness remember lawyer T. H.

DANGER LURKS IN EVERY ONE OF US

We Are As Full of Deadly Poisons As A Germ Laboratory.

AUTO-INTOXICATION OR SELF-POISONING

"FRUIT-A-TIVES" Absolutely Prevents This Dangerous Condition.

The chief cause of poor health is our neglect of the bowels. Waste matter, instead of passing from the lower intestine regularly every day, is allowed to remain there, generating poisons which are absorbed by the blood.

In other words, a person who is habitually constipated, is poisoning himself. We know now that Auto-intoxication, due to non-action of the bowels, is directly responsible for serious Kidney and Bladder Troubles; that it upsets the Stomach, causes Indigestion, Loss of Appetite and Sleeplessness; that chronic Rheumatism, Gout, Pain In The Back, are relieved as soon as the bowels become regular; and that Pimples, Rashes, Eczema and other Skin Affections disappear when "Fruit-a-tives" are taken to correct Constipation.

"Fruit-a-tives" will protect you against Auto-intoxication because this wonderful fruit medicine acts directly on all the eliminating organs. 50c. a box, 6 for \$2.50, trial size 25c. At all dealers or sent on receipt of price by Fruit-a-tives Limited, Ottawa.

Whalen coming to her place a couple of weeks ago but did not remember telling him that Donahue had better not come there or using words to that effect. Mr. Whalen had seen Mrs. Donahue alone.

To Mr. McDade's question why, if Mrs. Donahue was not sufficiently clothed, the witness had not given her some, witness replied that she had not had time to do so.

"CASCARETS" WORK WHILE YOU SLEEP

For Sick Headache, Sour Stomach, Sluggish Liver and Bowels—Take Cascarets tonight.

Furred Tongue, Bad Taste, Indigestion, Sallow Skin and Miserable Headaches come from a torpid liver and clogged bowels, which cause your stomach to become filled with undigested food, which sours and ferments like garbage in a swill barrel. That's the first step to untold misery—indigestion, foul gases, bad breath, yellow skin, mental fears, everything that is horrible and nauseating. A Cascaret to-night will give your constipated bowels a thorough cleansing and set straighten you out by morning. They work while you sleep—a 10-cent box from your druggist will keep you feeling good for months.
