Old Folks' Coughs, Gattarrh, Bronchitis Quickly Cured

This Tells of a Method That Cures Without Using Drugs
Elderly people take cold easily. Unlike young folk, they recover slowly. That is why so many people past middle life die of pneumonia.
Cough syrups seldom do much good because they upset digestion. Any doctor knows that a much more effective treatment is CATARRHOZONE, which heals and soothes the irritated surfaces of the throat.
In using Catarrhazine you do not take medicine into the stomach—you simply breathe into the throat, nose and lungs rich piney balsamic vapor so full of healing power that colds, catarrh and bronchitis disappear almost instantly.

The germ-killing balsamic vapor mixes with the breath, descends through the throat, down the bronchial tubes, and finally reaches the deepest air cells in the lungs. All parts are soothed with rich, pure medicinal essences, whereas with a syrup the affected parts could not be reached and harm would result through numbing the stomach with drugs.
A Catarrhazine inhaler in your pocket or purse enables you to stop a cold with the first sneeze. Large size costs \$1.00 and supplies treatment for two months, small size, 50c. retail size, 25c. all storekeepers and druggists, or The Catarrhazine Co., Kingston, Canada.

ALGONQUIN PARK

In the Algonquin Park of Ontario, Canada possesses a virgin wilderness within easy striking distance of civilization and city life. Here the tired business man and his wife and daughter too—can get out into the big open spaces, brush away the mental cobwebs and feel the red blood course through the veins once more. When the breathless rays and glaring heat of summer make life in a city a burden, Algonquin Park (only 200 miles north of Toronto an 1170 miles west of Ottawa) is a place of refuge and enchantment. This great reserve of nearly three thousand square miles is on the very ridge of the "Highlands of Ontario." Its altitude above sea level averages 1700 feet while some of the lakes in the park are 200 feet above the sea. The "Highland Inn" offers comfortable accommodation at reasonable rates. Make your reservations early as the probabilities are that the available accommodation will be taken up early this season. Write N. T. Clark, Manager, Highland Inn, Algonquin Park Station, Ont., or apply for information to any Grand Trunk Agent. A-24.

THE EVER POPULAR JOHN MCCORMACK

One seems never to tire of hearing John McCormack, the popular Irish tenor. He is heard at his best on the Victrola in his new Irish Homeland song, "That Tumbledown Shack in Athlone," that is on sale in the Victrola Parlors of Ye Olde Firme of Heintzman & Co., Limited, 68 St. Paul street, St. Catharines.

MUSKOKA THIS YEAR

Prospects are gratifying this year for a successful summer season in Muskoka and those who were disappointed last season in securing accommodation should apply early and make their reservations at one of the many hotels available. For illustrated literature with list of hotels, rates, maps, etc., apply to any Grand Trunk Agent or write to C. E. Horning, D. P.A., Toronto, Ont.

Letters to The Editor

TOO MODEST
Editor of The Journal:
Sir: Those who have read Ald. Avery's modest effusion regret to note the innate and blushing modesty which characterizes it.
In his simple relation he has omitted to tell the public that he is the man who discovered the hole in the doughnut.

So he is reputed to be addicted to scientific research, he might also kindly inform his readers of the economic difference between the frenmen who throw up a cushy job worth over \$100 a month and the chap going around looking for work.

Yours
Another Vet.

According to an official announcement from Provincial Secretary Armstrong, Dr. C. W. Gordon, (Ralph Connor), will be appointed chairman of the Joint Council of Industry to be set up by the Provincial Government under the Industrial Conditions Act.

We buy everything you want to sell. McGuire & Co.

E. W. Edwards of this city, has been accepted as a candidate for foreign mission work by the Methodist Mission Board.

The objective of the Canadian Jewish Relief Fund Campaign was reached yesterday. At three minutes to one o'clock the hand of the indicator outside the headquarters on Kink street, Toronto, was shoved up to the \$200,000 mark.

The fate in the Commons of certain measures initiated in the Senate is in doubt. Senator Lynch-Staunton is the father of a measure to compel dealers in German and Austrian goods to advertise the fact. The bill stands for third reading. That it will pass is fully anticipated, therefore it must come to the Commons for consideration.

A daring robbery was discovered in Niagara Falls, N.Y., at Amberg's, a big department store, goods amounting to \$800 being stolen this morning. The robbery was discovered on opening today. It is claimed that an automobile was used and the thieves were evidently familiar with the lay-out of the store, for only the best grades of goods were stolen. The loot was made up chiefly of Men's suits, shirts, ties, etc. Of shirts nothing but silk shirts were taken.

Senator Ross of Middleton, has succeeded in piloting through the Upper Chamber his two bills of divorce, whose purpose it is to provide in Ontario and Prince Edward Island for the dissolution and annulment of marriage through the courts, as in other Provinces but Quebec. There is reason to believe that the Government is favorable to the measures put forward by Senator Ross, who is very close to the Government leader in the Upper Chamber, and that the bills will have the Government sanction and support.

Representatives of the Retail Merchants' Association and the Fruit Growers' Association of Toronto attended yesterday's session of the Legislature when J. W. Curry's bill depriving Municipalities of the right to pass early closing by-laws, except when properly petitioned for by the electorate was considered. By 24 to 5 the committee decided that all by-laws passed under a sub-section of the Factory, Shop and Office Building Act shall cease to be effective on and after April 30, 1920, in so far as they apply to the sale of fruit.

Hon. Nelson Parliament's refusal to recognize whether H. H. Dewart or Hon. G. H. Ferguson is Opposition leader in the Legislature is likely to result in a saving to the Province of \$3,000 a year. While it is understood that Premier Drury and other members of the Government are not entirely satisfied with the decision of the Speaker the fact remains that the \$5,000 salary cannot be paid to anyone as the statute now stands. A compromise is likely to be reached, however, by which the leaders' salary will be allowed to lapse and the Government will undertake to pay the salaries of two secretaries, one for each of the two leaders.

TAKEN FROM JAIL TO DESTROYERS

BELFAST, April 23—The removal of fifteen Sinn Fein prisoners from Belfast and a large number from Queenstown on three destroyers leads to the belief that the authorities are planning to transport all Sinn Fein prisoners from Ireland. . . . Many raids were made last evening by the military in the villages around Dublin and also in the town today. No arrests are reported. . . .

BRIDGEBURG, April 24—Bridgeburg schools have reverted to Standard time, while the official time in this frontier town is daylight saving time, and has been since the 1st of April.

The banks, Post Office, Customs offices, stores, etc., are all on the new time, while most of the local points are on the new time, with the exception of the largest, the ship yards of the Allis-Chalmers company. Also, none of the railroads at the new terminals here recognized the new time, being on standard time.

The question of parents' time, of course, largely governs pupils. When the schools went on the new time there was much complaint, as the majority of workers still remained on standard time.

Old McCoy Stables Burned; Were Occupied by Company Which Located

The plant of the Ensign Oil Company of Carleton street, near Ontario was destroyed by fire this morning with a loss of about \$20,000 in all. The Company started business here last Autumn being the Canadian branch of a Cleveland concern.

Formerly the building was used by the St. Catharines Silk Mills Company and it was built twenty years ago to house Dr. Coy's race horses; being a large rough-cast structure. The fire commenced in the northeast corner and was

Meeting of the Municipal Representative Interest

A meeting of municipal representatives which is likely to have an important bearing on the 600 radical affairs in the Niagara District and perhaps decide their future, is to be held in the city hall, Toronto, on Thursday morning next at 10 o'clock, which will be attended by representatives from St. Catharines, Thorold, Welland, Niagara Falls and other places interested.

At 11:30 the delegation will wait upon the Drury government of the Parliament buildings. Giving notice of the meeting Secretary T. J. Hannigan of the Hydro Electric Railway Association

Cops Broke In on Crap Game, Just Fined

Six Armenians appeared in Police Court to-day charged with floating craps. Sergeant Brennan and P. C. Kellen found them in back room of the pool room at No. 218 Ontario street last night deep engaged in the fascinating pastime. "Come seven, come eleven" floated on the thick atmosphere of the room, in the language of the players. At any rate, that's what the watching officers took it to be. Sometimes they resorted to English tongue, and "I'll bet you fifty cents" was heard. One man had a big roll of bills. When the scramble came the cops got a count and a set of dice. Eight men had been playing, six were captured, the other two getting away. Four other men were watching the game, but were playing.
