LOCAL AND OTHER ITEMS.

The snow storm of Saturday morning greatly injured the sleigh roads.

We return our thanks to C. C. Richards & Co., of Yarmouth, N. S., for a very handsome calendar.

The Prince of Wales College closed for the holidays on Friday afternoon, and will reopen on July 9th.

The steamer *St. Lawrence* made her last trip for this season between Pictou and Charlottetown, on Friday last.

The students of St. Dunstan's college entered on their Christmas holidays on Friday last. They will resume their studies on Monday, January 7th.

The ladies of St. Joseph's Convent have just received from Montreal two beautiful statues, one of St. Joseph and the other of our Lady of the Rosary.

In another column will be found the advertisement of W. E. Dawson. He has a large and choice stock of hardware, which he is selling at prices that cannot fail to please.

Before entering on their Christmas holidays, the pupils of the City Schools presented their Teachers with valuable presents. In some cases the presents were accompanied by addresses.

Card of Thanks.—The President and members of St. Joseph's Sodality return their sincere thanks to St. Dunstan's College Band and Glee Club, Mr. L. J. Williams, and all others who in any way contributed to the success of their Xmas Tree.

In the case of Parnell against the London *Times*, in Edinburgh, the Court, on the 20th inst., considered the proofs of validity and attestments which had been made by the plaintiff. The Court adjourned to enable the solicitor to produce the proprietors.

If there are any apostles of blue ruin in our midst, they must have been rudely shocked when they saw the large quantities of produce, pork, beef and poultry brought to market by our farmers on Friday last; and the extraordinary business done by our merchants on that day.

Martin Lanigan, the sailor who was landed from the *Samuel Drake*, as previously reported, died in the Marine Hospital at Port Hawkesbury, Sunday, 16th. He never became conscious after the time he was struck by the mainboom of the *Samuel Drake*. He was fifty years of age, unmarried, and a native of Prince Edward Island.—*Exchange.*

Rev. P. Doyle, of Summerside, will celebrate his silver jubilee of the priesthood, on Thursday, January 24th, next. The people of Summerside are making preparations to celebrate the event in a becoming manner, and we are happy to learn that the committee in charge of the arrangements are meeting with great success.

The *Stanley* started for Pictou with mails and passengers on Wednesday morning, and returned here on Thursday. She left again on Thursday afternoon, and came back on Friday forenoon. In the afternoon of the same day she went to Pictou again and returned here on Saturday forenoon, and left for Pictou on yesterday morning.

A public meeting of the Three Rivers Dairyman's Association will be held in the School House, New Perth, on Friday, the 28th Dec. inst. at 7 o clock p. m., to consider "whether County Exhibitions are a failure." The members of the Local Legislature for Murray Harbor, Georgetown and Cardigan districts, and all persons interested are invited to attend this meeting.

A St. John despatch says: Joseph Jenkinson, of St. John, was killed at McAdam the other morning under very painful circumstances. His wife and child went up from the city to spend Christmas with him. He was hastening through the railway yard at McAdam to meet them when he was struck by a car and had both legs taken off. He died a few hours later. His wife is nearly insane with grief.

The bark *Eliza Barss* arrived at Hamilton, Bermuda, on the 4th inst., 16 days from Cuxao. She experienced a very rough passage. Two horses were lost from her deck, but with this exception everything turned out in first-rate order, which, after considering the weather experienced, adds to the already good reputation of the *Eliza Barss* as a cattle carrier.

A very unfortunate accident took place on Steamboat Wharf at Liverpool, N. S., on the 19th inst. While the *Alpha* was landing her freight, the whistle blew and started three horses, two of which were attached to an express and one to a truck. A. M. Shaw, insurance agent, sprang to catch them, but missed doing so and slipped. The horses and trucks going over him cut his face badly, broke his arm, and there are fears of internal injuries. Medical aid was quickly at hand and Mr. Shaw was taken to the International hotel.

A most melancholy accident occurred at McDonald's Point, Queens, N. B., on Saturday, the 15th inst. Two bright little fellows, Ernest Wright and Ernest McDonald, aged respectively eight and nine years, went skating on the river. There was a stretch of open water in the stream, and the boys, over confident in the strength of the ice along the edge, skated gaily along quite close to the margin. The ice suddenly gave way and they were plunged into the chilling waters. Both were drowned.—*Halifax Herald.*

Referring to the market prices in Halifax, the *Chronicle* says the flour merchants report a stronger market, indicating another advance in breadstuffs. The produce market also shows an inclination towards higher prices in many staples, and in some cases increases have been made. P. E. Island cured pork has gone up 50 cents a barrel. Dressed hogs are half a cent a pound higher. Island potatoes are selling for 32 and 38 cents a bushel in place of 32 and 35 cents last week. Refined sugars have been reduced half a cent a pound.

The Christmas Tree and Bazar held in St. Joseph's Convent, during last week, was brought to a close on Thursday night. Many an otherwise handsome face is disfigured with pimples and blotches, caused by a humor in the blood, which may be thoroughly eradicated by the use of Ayer's Sarsaparilla. It is the safest blood medicine in the market, being entirely free from arsenic or any deleterious drug.

Rapped in slumber—the tramp in the park when clubbed by a policeman.

The special quality of Ayer's Hair Vigor is that it restores the natural growth, color, and texture of the hair. It vitalizes the roots and follicles, removes dandruff, and heals itching humors in the scalp. In this respect, it surpasses all similar preparations.

"After an extensive practice of nearly one-third of a century, Ayer's Cherry Pectoral is my cure for recent colds and coughs. I prescribe it, and believe it to be the very best expectorant now offered to the people."—Dr. John C. Levis, Druggist, West Bridgewater, Pa.

"Some years ago Ayer's Cherry Pectoral cured me of asthma after the best medical skill had failed to give me relief. A few weeks since, being again a little troubled with the disease, I was promptly
