FOREIGN PERIODICALS.

RE-PUBLICATION OF THE LONDON QUARTERLY REVIEW, EDINBURGH REVIEW, FOREIGN QUARTERLY REVIEW, WESTMINSTER REVIEW, AND BLACKWOOD'S EDINBURGH MAGAZINE.

THE above Periodicals are reprinted in one volume, in the Edinburgh Review, by the British Steamers, in a beautiful clear type, on fine white paper, and are faithful copies of the originals—Blackwood's Magazine being an exact fac-simile of the Edinburgh edition.

The wide-spread fame of these splendid Periodicals renders it needless to say much in their praise. As literary organs, they stand far in advance of any works of a similar stamp now published, while the political complexion of the same is marked by a dignity, candour, and forbearance not often found in works of a party character.

They embrace the views of the three great parties in England—Whig, Tory, and Radical—Blackwood and the London Quarterly are Tory; the Edinburgh Review, the Westminster, and Radical.

The Foreign Quarterly is purely literary, being devoted principally to criticisms on foreign Continental Works.

The prices of the Re-prints are less than one-third of the foreign copies, and while they are equally well got up, they afford all that advantage to the American reader or the English reader.

TERMS. PAYMENT TO BE MADE IN ADVANCE. For any one of the four Reviews, \$3.00 per an. For any two do do do 5.00 " For any three do do do 7.00 " For all four of the Reviews... 8.00 " For Blackwood's Magazine... 3.00 " For Blackwood and the 4 Reviews, 10.00 "

CLUBBING. Four copies of any or all of the above works will be sent to any address on payment of the regular subscription for three—the fourth copy being gratis.

Remittances and communications must be made in all cases without expense to the publishers. The former may always be done through a Postmaster, by handing him the amount to be remitted taking his receipt, and forwarding it by mail, post-paid; or the money may be enclosed in a letter, post-paid, directed to the publishers.

N.B.—The postage on these Periodicals is reduced by the late Post Office Law to about one-third the former rates, making a very important saving in the expense to mail subscribers.

In all the principal cities and towns throughout the United States to which there is a direct Railroad or Water communication from the City of New York, these periodicals will be delivered free of postage.
