A little eight-year old girl named Marie Griffith of Wostok underwent a difficult operation at the public hospital yesterday afternoon for a case of disease. Dr. Terman did not feel himself to have them thoroughly cleaned out before the first of July.

Asked as to whether the river water was in any way responsible for the disease, Dr. Terman did not feel himself in a position to give a decided answer. He is, however, making a thorough investigation this summer into the sources of the disease, and his report will in all probability be greatly to the assistance of the prevalence of typhoid in this portion of the west.

REPORT ON THE MACAULAY CASE.

The report of Justice Scott on the investigation of the charges against Ald. Dr. Macaulay has been handed over to the city commissioners who will present it to the city council at the meeting next Tuesday evening. In the meantime the details are being guarded with considerable secrecy by the Commissioners, who refuse to make public anything in connection with the case.

It is understood, however, that the report censures the alderman with

some severity for his conduct as revealed in the evidence taken at the hearing. The judge's report and the subsequent action to be taken by the council will likely form a considerable portion of next Tuesday night's business.

PACKING PLANT SEWER.

The trunk sewer to the J. Y. Griffin packing house has now been completed for a distance of half a mile from the river, leaving one and three-quarter miles yet to be done. It is expected that the sewer will be completed in two months. A gang of 35 men are at work on the contract. The excavated earth is raised in a bucket operated by a small traction engine. Several places the sewer is 27 feet below the ground. The shallowest depth is 16 feet. ONE SESSION OF CITY COUNCIL.

Strathcona city council held their regular weekly meeting last night. Mayor Mills and Ald. Rankin, McFarland, Hulbert and Crawford were present. There was a large amount of business before the board and even with an extension beyond the usual time for closing the number of matters were left over till next week. After reading of minutes the regular evening session was taken up with Communications.

Poundkeeper Wapshot wrote regarding the sale of two ponies for \$126, the expenses in the various breeders' \$28.05, leaving a balance of \$97.95, which he remitted to the secretary. He also enclosed a copy of the advertisement, describing the animals. The poundkeeper pointed out that a new pony was wanted as the present one was not suitable as a horse as well as cattle were enclosed and the former were liable to injure themselves by the gate opening to allow the yard to be used longer by people taking away their impediments. Mr. Coulson also requested that the gate opening be widened to the width of the road.

Miss C. S. Hill wrote saying that she had allowed up the road on the side of Mill Creek and west of Shelburne street. As a consequence her daily trip to Edmonton was rendered very disagreeable. The secretary was directed to write for further particulars as to the road.

John Stocks, deputy minister of public works, wrote asking permission of the government to place telephone poles from Grandin along Whyte avenue to Cameron, thence along Cameron to the end and west to the C. P. crossing. He also enclosed a copy of the plan of the proposed line, and requested to make arrangements with the government.

Wilson, Winnipeg, wrote re electrical supplies, shipped or may and June. The supplies have not all arrived so the payment of the account was withheld until the receipt for part payment. The letter was handed over to the fire and light committee.

F. A. Peel wrote that he was greatly troubled with water running in his Grandin. He asked that catch be constructed. The matter was referred to the city engineer.

Elliot Bros. called attention to the fact that the insurance on the town hall of \$1,000 expired tomorrow. The secretary-treasurer was instructed to renew the premium at once.

W. F. Lee, Winnipeg, asked that the freight bills of pipe, before asked for, be returned to him as they were urgently needed. The secretary-treasurer said he had not yet found all the invoices and he would have to get copies for Mr. Lee.

H. Wilson asked for a platform of old plank from the corner of Oliver along West Railway to Saskatchewan. The request was referred to the public works committee.

The secretary-treasurer, Edmonton, re a bill remittance; J. R. Lavelle re receipt of deed of manure grounds, and the L. O. P. extending invitation to corner stone laying of the new temple were filed.

Petition Received.

A. H. Richards & Co., J. H. Trantner and J. C. Renton petitioned the council to be allowed to place a small sign on the new granite sidewalk which was from three to four inches below the old plan. They were granted permission subject to the supervision of the city engineer.

Court of Revision.

For a short time the council sat as a Court of Revision. The C. P. R. appeal was allowed to stand over till next meeting, T. P. Malone's lot 16 in block 50 was reduced from \$10.00 to \$2.00. H. H. Suche's appeal on river lot 21 was left over.

Discounts on Taxes.

It was agreed that a discount of 10 per cent. be allowed on all current

taxes paid before the fifteenth of December.

REPORTS OF OFFICERS.

The city engineer reported that the granite walk along block 69 was completed and cost \$1,210.02. It was 514 feet long, 15 1/2 feet wide, with area of 855 1/2 square yards, at a cost of \$2.35 per yard. The tenders were much higher than this.

He also reported with reference to the capacity of the boilers to supply power to the city of Edmonton during the winter, stating that he did not think it possible to guarantee a continuous supply of 80 horse power. He suggested, however, that the city of Edmonton purchase their discarded 151 cynamo with which Superintendent McNaughton thought the city of Edmonton could get along for the winter.

It was agreed that a lot to the east side of the market square be fenced for a city pound and the preparation be left to the chairman of the town hall, market and police committee with power to act.

It was agreed that any sidewalk taken up be sold at the rate of \$10 per thousand board measure.

A bylaw to permit the registration of gas and sub-divisions of blocks 68 was given three readings and passed.

The question of placing numbers on the streets instead of names was discussed and the matter referred to the city engineer for a report.

It was decided to order 1,000 copies of the new map of the city.

Ald. Crawford gave notice of a by-law to change the name of the streets to numbers.

Council adjourned at 11.15.
