The "Little Beauty" Night Lamp.

This is by far the handsomest, safest, most economical and odorless night lamp ever invented. It burns ordinary kerosene oil, and from one filling will burn 40 hours or 5 nights without odor. The oil will cost you less than 2 cents for the 5 nights. The lamps are made of brass, handsomely nickel plated, and look like an electric lamp when lighted.

For entries, doorways, stairways or anywhere, and in case of sickness, this lamp will be found of great value—will stand or hang. PRICE 75c.; Post Paid 80c.
