FISHERMEN!

Fishermen of late have been complaining of sore and tired feet, besides suffering from Rheumatism, etc. brought on by wearing Rubber Boots. Scores of Fishermen have been telling us of how they suffered the past summer when fishing in the hot sun, their feet having burned and blistered in the Rubber Boots which they wore, and later when the burning ceased their feet were wet with cold perspiration.

Fishermen! Get a pair of SMALLWOOD'S GOOD LEATHER BOOTS. They will keep your feet warm and dry.
