Notice to Farmers.

It is possible that the Civil Re-establishment Committee may be looking for a number of farmers in the early part of May who may be willing to take on one or two farmer students for six months. Farmers who are willing to do this patriotic duty to returned men are invited to notify the undersigned at as early a date as possible of their willingness to help the Civil Re-establishment Committee by taking one or more students. They should state clearly what facilities they have for giving the students training, and should state minimum and maximum wages that they are willing to pay for beginners and for men who have had previous agricultural experience. They should also state if they are able to board the students. In each case they should state clearly the terms.
