HASTY CONSENTION CURED BY FELLOWS Hypotrosphites,—Carbonear, Newfoundland, Jan. 3, 1871. Mr. James I, Fellows. Dear Sir,—I came to this country in May, 1869.* I found a countryman of mine laboring under some affections of the lungs. I recommended your Syrup, tried at the Druggists in Harbor Grace, but they though I was inventin the name at their expense. However, in April, 1890, Mr. Edgar Jones rapidly wasied a xwy with every symptom of quick consumption, so that he was unable to walk across the room, having no appetite, pains in the left side, nervous system unstrung, dry, hacking cough, &c. Fortunately I learned that your Syrup could be obtained at Mr. Dearin's, in St. John's, and immediately procured some (showed one to W. H. Thompson, who ordered a supply at one) twas, too; the dry, hacking cough changed into loose but violent attacks, finally disappearing altogether; pains left his sides, his hand assumed its usual steadiness, and before, he faished ten bottles his health was quite restored and to-day not a mere healthy person is to be found on our street; and it is the opinion of all, had he not been fortunate in getting your valuable Syrup of Hypothosphites, he would now be in his grave. I also recommended it to another consumptive, but have not heard from him since, as he lives in a distant part of the Island. Hoping this will zive you some encouragement. I remain yours, and cheery.

Nine years before the public, and no preparation for the hair has ever been produced equal to Hall's "Vegetable Sicilian Hair Renewer," and every honest dealer will say it gives the best satisfaction. It restores GRAY HAIR to its original color, eradicating and preventing dandruff, curing BALDNESS and promoting the growth of the hair. The gray and brashy by a few applications is changed to black and silky locks, and wayward hair will assume any shape the wearer desires. It is the cheapest HAIRDRESSING in the world and its effects last longer, as it excites the glands to furnish the nutritive principle so necessary to the life of hair. It gives the hair that splendid appearance so much admired by all. By its tonic and stimulating properties it prevents the hair from falling out, and none need be without Nature's ornament—a good head of hair. It is the first real perfected remedy ever discovered for curing diseases of the hair, and it has never been equalled, and we assure the thousands who have used it, it is kept up to its original high standard. Our Treatise on the Hair mailed free send for it.
