A Bunting Famine. BIG REDUCTIONS

Toronto, June 21 .- Toronto is tonight given up entirely to the jubilee. The streets from 8 o'clock until midnight were more crowded than ever before in the history of the city. Many of the decorations were ex-tremely brilliant. Business houses were gaily decorated with flags and bunting, and in many cases with elaborate illuminations. Private dwellings in every part of the city are also covered with flags, and brilliantly illuminated with Chinese lanterns and elec-tric lights. The street cars were decorated very prettily, and packed with passengers all the evening. A grand patriotic concert was held in Massey | —The Chapelle Sisters, who appear Hall, but it was only fairly well at- at the Springbank Theater all this tended, partly on account of the street week, are registered at the Grigg attractions, and partly because the price of admission was too high. UNITED STATES WOOL DUTY." Washington, D. C., June 21.-The Senate finance committee has practically reached a conclusion on the wool schedule of the tariff bill.
Following are the rates which the finance committee has indicated a willingness to grant: First class, 10c per pound; second class, 11c; third class, if worth over 10c per lb, 7c; if worth less than 10c, 4c. These rates are not entirely satisfactory to the advocates of a high wool tariff, but there is reason to believe that they will be accepted with but little of any protest.

A DINNER PILL.-Many persons suffer excruciating agony after partaking of a hearty dinner. The food partaken of is like a ball of lead upon the stomach, and instead of being a healthy nutriment, it becomes a poison to the system. Dr. Parmelee's Vegetable Pills are wonderful correctives of such troubles. They correct acidity, open the secretions and convert the food partaken of into healthy nutriment. They
