Deadlock Grips the Board of Health at First Meeting PROGRESS AMAZES

Results in a Tie Vote.

Mayor Judd Called in and Votes for Dr. English.

Board Decides Ice May Be Cut Almost Anywhere This Season at Least.

The board of health was attacked by the deadlock malady yesterday afternoon, and it required the vote of Mayor rothers. Judd, who had to be sent for, to elect is Pond Polluted? Dr. English to the chairmanship. In this case it can scarcely be argued that politics was at the bottom of the coves. trouble, for of the seven members of the board, only one is a Liberal.

When the board met the first order chairman, it being the inaugural meet- Clare pond ice was pure. ing. Dr. English was proposed and so was Mr. W. D. Willis. A vote was the first to be voted on:

Yeas-Messrs, Carrothers, Stevenson and -Skinner

Taylor. To Break the Tie.

walking, if only a few feet, made it necessary for me to lie down. My friends thought I was marked for consumption-weak, thin and pale.

"I realized the danger I was in and tried faithfully to get relief from medicines, till, at last, after having employed all kinds of drugs, the doctor acknowledged that he did not believe it was in his power to cure me.

"While in this condition a friend induced me to quit coffee and try Postum Food Coffee, and I did so without the least hope that it would do me any good. I did not like it at first, but when it was properly made I found it was a most delicious and refreshing beverage, I am especially fond of it served at dinner ice-cold, with cream.

"In a month's time I began to improve, and in a few weeks my indigestion ceased to trouble me, and my headache stopped entirely. I am so Mooretsky, a second-hand dealer here, perfectly well now that I do not look says he will begin legal proceedings like the same person.

cut on the coves." Ald. Stevenson, in seconding the motion, asked if it wasn't time to settle the ice question and not have the ice men in a panic and the people in fear SOON TO HAVE 2,250,000 MEN of a famine every year. The doctor added that the best ice brought here from Hamilton last year was not as Officers Trained in Germany Return good as the poor ice formerly harvest-

ed in London Mr. Carrothers said the cove ice, on one analysis was shown to be better

than North Branch ice. Mayor Judd said he feared that under Mr. Carrothers' motion the ice men might cut bad ice and sell it in the city.

"Stop them selling it," said Mr. Car-

The mayor then stated that he saw its big army reorganization scheme. no reason why the ice men should not cut ice on the North Branch or the

Dr. English said that it would be unponds as the water was impure. Mr. Carrothers asked Dr. Hutchinson of business was the election of a if he had not at one time reported that

"I did not," said the doctor. "I was at the board when you made the report," Mr. Carrothers declared. taken and it resulted in a deadlock, as Mr. Willis said that certain places follows, the name of Mr. Willis being where ice may be cut should be named by the board. He thought Mr. Carrothers' motion a little too sweeping.

Ald. Stevenson said the ice men, if the resolution was passed, would sim-Nays-Messrs. English, Willis and ply go to their old haunts, and there would be no trouble over the ice ques-
